Zionist Terror Stalks Middle East

The other day we received an eye opening letter from a Christian Arab in Jordan. For fear of Israeli retaliation against relatives still under the satanic Star of David, the writer has urged us to withhold his name and not to reprint his letter verbatim. However, because it is so similar to those of millions of other persecuted Christian Arabs, he did prompt us to relate a portion of his terrifying story.

It begins on the afternoon that the Zionist gestapo first took over the village in which he lived. It was an experience which he will never be able to remove from his mind, for on that afternoon, an estimated 104 of the 116 Christian Arabs living in that predominantly Christian village were routed from their homes, and according to Talmudic law, brutally tortured to death. The last thing our friend remembers as he was fleeing from the village was the sight of the Christian place of worship being burned to the ground. Later reports of the incident tell of a statue of the Lord Jesus Christ being smashed into pieces by the Zionist raiders.

Although the writer and his family were eventually reunited in an Arab refugee camp, they had lost everything. Their home, their belongings, their land, all that was dear to them, was now in the hands of thieves and butchers. Years of struggle and achievement had been blotted out in just a short time.

Our friend reminds us that the Arabs have always been staunch allies of the West, with profound respect for the United States. Likewise, the Arab leaders are violently anti-Communist, but, like frightened children, will naturally run to the first person who offers them protection.

In the minds of the Arab people, the American government has become the champion of Zionist causes. Continued American support of Zionist expansion can result only in forcing the Arabs into the waiting claws of the Communists. In the end, both the Russians and the Jews would be the victors, because they are presently conspiring together.

It's about time for the American people to start looking for the answers to these two questions: Why is the U. S. alienating scores of millions of Arabs in favor of less than two million Christ-hating Zionists? And, which is more important to the defense of the West - tiny, worthless, Israel, or the strategically located, anti-Communist, Arab states?

Of course, if one knows anything at all about the true nature of the situation, he is aware that our government is controlled by international Zionist gangsters, and it doesn't take a crystal ball to know what these Zionists, with the help of their "kept" American press, are trying to do. The U. S. is slowly being pushed into a war against the Arabs, and we're closer this war than most Americans realize. (Continued on page two)

PRACTICE RACIAL SELF-RESPECT SUPPORT SEGREGATION !

ZIONIST TERROR STALKS MIDDLE EAST (Continued from page one)

Americans had better wake up to certain fundamental facts. We are a Christian, republican nation; Israel is an anti-Christian, totalitarian nation. Does it seem logical for Christian America to ally herself with anti-Christian Israel against our Arab friends.

The Arabs have suffered enough. The atrocities which have been committed by the Jews against them are so fiendish that it would be in poor taste to even mention them here. But if you have a strong stomach, we suggest you write to Dr. Gerald B. Winrod (c/o The Defenders, Wichita, Ka.) for particulars.

Write or wire your congressman today! Tell him that you will not support a war against the Arabs and that the U. S. has no business defending heathen, Talmudic Israel.

The hour is late. We are almost at war. Unless the U. S. breaks away from Jewish control, we are doomed to complete destruction. Jesus Christ, and great Americans like Ben Franklin and Abraham Lincoln, have all warned us. Are we Christian enough to heed their advice?

AIR FORCE TO ADD POISON TO PURE WATER

By Chas. B. Hudson

According to the Omaha World-Herald of March 12, 1956, Offutt Air Force Base will begin fluoridating water from their wells with a device that will feed the deadly poison (no anti-dote) sodium fluoride into water consumed by the Base personnel. To justify this crime, Lieut. Col. S. A. Terris, Base Dental Surgeon, is quoted: "Tooth decay in time, can be reduced a hundredfold."

~~The only excuse offered by pro-fluoridation propagandists is that only children up to ten to twelve years old benefit from drinking fluoridated water. This supposed benefit has been exploded by an examination of the children's teeth in Newburgh, New York (water fluoridated since 1945) compared with children's teeth in Kingston, New York (water not fluoridated). After nine years, Dr. John A. Forst, Chief of Bureau of Health Service of the University of the State of New York, found that 62 per cent of Newburgh children had dental troubles, compared with only 42 per cent at Kingston.~~

Since Offutt Air Force Base is a vital link in the defense of our nation, the health of the adults comprising its personnel is a first consideration. After nine years of fluoridation, heart disease death rate at fluoridated Newburgh is 74 per cent higher than that of the nation. So, since any children at that Base cannot get any benefit from fluoridation, and since adult personnel will be poisoned gradually from drinking fluoridated water, not to mention the possibility of instant death from sabotage, aroused citizens should demand that Congress put a stop to fluoridation at that and all other armed forces bases.

Recent statements by warmonger John Foster "to the brink" Dulles and ex-conservative, now rabid Eisenhower booster, Rep. Joseph Martin, make it quite clear that the Zionist gang in the White House is conditioning the American people for U. S. support of Israel in a war in the Middle East. Both Dulles and Martin have stated that American troops would be needed "in case of aggression by either side." Of course, that statement gives them away. Any buck private knows that, with a little U. S. technical aid (no troops), the Arabs could march across Israel in 48 hours. In other words, U. S. troops would be needed only to hold back the Arabs. Apparently, the State Department is ready to brand the Arabs as the "aggressor" as soon as the Jews fire the first shot.

Total Mongrelization is NAACP Goal

TWENTY YEAR OLD SAILOR BRAVES ALL TO WARN NATION

The following letter was sent by Wayne P. Elwood, Seaman Recruit, U. S. Navy, to Secretary of Defense Charles Wilson, with copies to President Dwight Eisenhower, Editors, LOOK magazine, and Frank L. Britton, Editor, the AMERICAN NATIONALIST.

Arms must never be sent to Israel. Such an act would only drive the Arabs further into the Communist orbit.

The Jews have no rightful claim to Palestine. The Arabs and Christians lived there for centuries before the Jews arrived. The Jews have desecrated and destroyed most of the Christian shrines in the area. They have driven the Arabs from their homes into the desert to starve. They have confiscated Christian and Arab property.

Israel is just as communistic as Russia. No Gentile can vote or hold public office. They have socialized their government, even down to the collective farm.

Sir, Communism is a Jewish instrument for World Domination. The Jew, Karl Marx (son of a Rabbi), founded Communism; Jews have always controlled the Communist movement. Today the Jewish banker, Ashberg, heads the Soviet bank. Koganovich (also of the Jewish tribe) heads all industry in Russia.

No wonder Communism seeks to destroy Christianity. Now we can understand why all Communist spy cells are controlled by the likes of the electrocuted Rosenberg cult.

The plot of the Jews is to arm millions of Arabs. Then get America to back a few thousand armed Israelites. The Jews will provoke an Arab attack, and America will then go in and fight for the Jews. Russia will then sit back and laugh as they did when we lost 30,000 men fighting the Chinese in Korea. In the end we would lose 1,000,000 men and the Jews from both Russia and Israel would have all Arabia.

No, gentlemen, we servicemen of the Navy, Army and Air Force, will never fight for the Jews again as we did in World War II. From now on we will fight our true enemy - the Jews!

I call on the American government to arm the Arabs, and help them drive the Jewish parasites into the sea.

EDITOR'S REPORT -- Observers tend to agree that the "Vigilant Women for the Bricker Amendment" organization may be on its way out. It seems that the two national leaders of the group are split over the new Dirksen substitute . . . We heartily agree with Willis Carto's recent appraisal of the ADL's new hate-book, "Cross Currents." It certainly is one of the most humorous writings we've ever seen. Oh well, they have to show something for all the money they get out of wealthy Jews . . . Einar Aberg, Swedish Rightist, has been sent to prison for his anti-Communist activities. Sweden seems to be getting closer to Russia all the time, what with jailing patriots and sending new warships to the Reds . . . West Hooker, New York area patriotic leader, has announced that his U. S. Nationalist Party will hold a National convention in Chicago this summer . . . Our sincere thanks to N. B. Holt (alias Nudnick Goyim, c/o St. Elizabeth's Bastile Madhouse, New Siberia, Alaska) for his entertaining "Queen Bee" fable which appeared in the March REVERE. Also, for other contributions . . . William B. Wernecke, head of the Nationalist Conservative Party, is one of the midwestern patriots who will help set up Chicago headquarters for Rights during the Democratic convention in June . . . We have a used mimeograph machine that is no longer needed in our office. It is mainly for post-cards, but it prints pages up to 4X6. It's in top condition and worth about \$18.00 new. The first person who sends a check or M. O. for \$5.75 will get it, postpaid . . . Keep buying Confederate flags.

An Explanation

Even at this date, the international Communist Party is outlawed in every country of the Middle East - except Israel. Moscow failed miserably in that part of the world, until Washington's anti-Arab attitude opened the way for her to make deals at economic levels with nations in desperate need of arms.

Russia is, of course, playing a long range game, hoping to ingratiate herself to the Arabs and later gain control at political levels. Her natural sympathies are with Zionist Israel and she will not hesitate to change overnight, if successful in infiltrating the Arab nations and weakening their governments from within.

The Zionist leaders have announced that they expect to take over everything from the Nile to the Euphrates.

Looking back upon the atrocities of 1947 and 1948, the Arabs are naturally frightened, and this has apparently created a willingness on their part to do business with Russia.

It is, of course, common knowledge that Israel has been able to get all the war equipment desired from the nations of the West. And George V. Allen, of the State Department, said in a speech at Arlington, Virginia on October 13th that Russia had also offered to supply Israel with arms.

A dispatch from Jerusalem says that Zionism, speaking through the Prime Minister of Israel, Moshe Sharett, demands an immediate "security treaty with the United States" - which means that we are supposed to begin preparations for sending American soldiers to kill the Arabs!

Westbrook Pegler wrote prophetically in his column of January 20, 1948: "The Palestine trouble is a political monstrosity disguised as a religious migration. Truman simply cannot muster the character to repudiate a wicked adventurer and abandon his precedents, which certainly will be fatal to the United States if they are not abandoned."

"The people of the United States have no obligation to establish any homeland for anybody anywhere, but there is a queasy fear of saying so. This cowardice may cost the lives of a million Americans."

The United States has fought two wars arranged by international Jewry, and engines of propaganda are being started operating, demanding a third. The American people are now where they were in the early forties when the Jewish-controlled press and radio were beating the tom-toms of war with Germany.

Attacks on the Arabs being unleashed these days through the press and over the air, remind one of Harold Ickes' Jewish-written radio script of early 1940, in which he referred to the German people (with whom we then enjoyed peaceful relations) as "mad dogs."

The Wichita Eagle carried a recent editorial attack on the Arabs written in equally vitriolic language. Newspapers throughout the country are being supplied with "canned" material from Jewish propaganda sources for publication. Drew Pearson, the principal journalistic voice of Zionist Jewry in the United States, is drumming up anti-Arab feeling through his column. The pattern of the propagandists is clear.

Let prayer ascend from Christian hearts that God shall raise up wise leaders to deal with the difficult problems which have developed in Bible lands. (From an article by Dr. Gerald B. Winrod.)

EDITOR'S REPORT

THE REAL STATE OF THE UNION - - The State of the Union is as dark as it has ever been. President Eisenhower has deceived the American people and is leading them into slavery in a world super-state.

The Constitution has been so perverted and tampered with that it is about to wash away in the tide of treason, and with it, our precious liberties and Anglo-Saxon traditions.

The alien-dominated Supreme Court, under the leadership of Earl Warren, has taken it upon itself to become the chief legislative body in the land, as well as the sole interpreter of its legislation. The Court is attempting to destroy the sacred doctrine of States' Rights.

The State Department, still honey-combed with leftists, is busily at work rewriting history. Donald M. Dozer, State Department historian, has been fired twice in the past five months for allegedly "disrupting good working relations in the historical division." In reality, he was fired because he refused to distort and suppress historical data; because he refused to write lies about Sen. Joe McCarthy for the State Department; and because he wouldn't cover up the treasonable and shameful occurrences at Yalta and Potsdam.

The President hasn't told the American people that there are over 200,000 foreign troops in the United States and more arriving as fast as they can be accommodated. With American troops scattered all over the world, it is easy to see who will point the guns at us in event of martial law.

The agents of the Invisible Government are more powerful today than ever before. They are contriving to involve the United States in a war in the Middle East, a war to defend the Khazars, who are masquerading as the chosen people.

The President has not warned the American people of the sinister attempt to open the flood gates to millions of undesirable aliens. He has not alerted the Nation to the conspiracy to destroy the McCarran-Walter Immigration Law.

Are we to sit back and watch our Christian civilization first invaded and then completely taken over by hords of Christ-hating mongrels? It isn't too late to act, but we'd better start soon. Put none but Americans on guard tonight!

ABRAHAM LINCOLN AND THE NEGRO REPATRIATION MOVEMENT - - Had Abraham Lincoln not been assassinated, there is a good chance that today there would be no more than a mere handful of Negroes living in the United States. President Lincoln was the founder of the movement to repatriate the Negroes to their ancestral homeland. Said Lincoln:

"I have urged the colonization of the Negroes, and I shall continue until it is accomplished. My emancipation proclamation was linked with this plan.... There is no room for two distinct races of white men in America, much less for two distinct races of Whites and Blacks.... I can conceive of no greater calamity than the assimilation of the Negro into our social and political life as our equal.... Within twenty years, we can peacefully colonize the Negro in the tropics, and give him our language, literature, religion, and system of government under conditions in which he can rise to the full measure of manhood. This he can never do here.... We can never attain the ideal Union our Fathers dreamed, with millions of an alien, inferior race among us, whose assimilation is neither possible nor desirable." (continued on page two)

EDITOR'S REPORT (continued from page one)

After Lincoln's death, President Johnson was thwarted in his valiant attempts to carry out his predecessor's policies by the radical Republicans, who were interested only in bleeding the Southern Whites to death and in using the Negroes for political gain.

Sen. William Langer has introduced a bill "To provide aid to persons in the United States desirous of migrating to Liberia." Edward Fields, of the Realpolitical Institute, writes: "Just think of it. With the passage of Langer Bill S-276, the salvation of the White Race can be under way next year. This is the beginning of a Great and Glorious new chapter in American history!"

The bill was introduced at the request of many Negro welfare organizations. The leaders of these all-Negro groups (unlike the NAACP which is made up of revolutionist Whites and mongrelized half-breeds) assure us that the majority of the Negro people are behind the movement.

It is interesting to note that most of the opposition to Sen. Langer's plan comes not from the Negro, but from Northern labor bosses and organized alien minorities, who are using the Negro to foment internal strife.

Until we are able to settle all the Negroes in Africa, we must do everything within our power to protect the White Race from mongrelization. Strict enforcement of segregation and absolute prohibition of marriage between the races are imperative.

There is no reason in the world why we should force Negroes to stay here when they would be happier elsewhere. Write to your Senator; tell him you want him to support the Langer Bill S-276. Any congressman who will not take up the fight for the bill is a traitor to the White Race.

(For complete information on the subject, write to Earnest Sevier Cox, P. O. Box 116, Richmond 1, Virginia. Send to N. I. A. for a copy of the bill.)

AN OPEN LETTER TO WHITES - - By S. A.
Davis, Negro Author and Leader.

Now that the Negro home-going movement (Langer Bill S-276) has been revived, it would seem that many Whites are trying to show why the Negro should not leave America. For years the Whites have been complaining about the Negro problem; now is the time to do something about it. Instead of aiding the cause, however, it looks like the Whites are trying to hide the knowledge from the Negro that any such bill exists.

As long as you have the Negro here you will have a Negro problem; send the Negro home to Liberia, Africa, and you will be rid of the Negro problem.

There is no need for any violence at all. But once it is passed, you too will be a surprised person.

The White People will have to lead the crusade for repatriation. The Negro has no power at all to act in this matter.

I call upon all whitefolk to get behind Senate Bill 276 and see that it is passed. I can promise you that you will then be rid of at least 10 or 12 million Blacks in no time at all.

Los Angeles - - Gov. Goodwin J. Knight, of California, who considers himself to be a possible candidate for the Republican nomination for President, is a life member of the so-called National Association For The Advancement Of Colored People, reports W. R. Beatty. Mr. Beatty urges everyone opposed to race mixing and subversiveness to write to the Governor at Sacramento, and call upon him to rescind and repudiate his membership in the NAACP.

New York - - The Emma Lazarus Federation Of Jewish Women's Clubs has endorsed the proposal to send U. S. troops to Mississippi.

Texas City - - A resolution defending the principle of segregation was passed recently by members of the Missionary Baptist Association of Texas.

Plymouth Meeting - - Mrs. Philip Corson is asking all Patriots to write to Henry Ford, 3000 Schaffer Road, Dearborn, Mich., asking him to set aside \$15 million to be used to fight internal communist subversion.

PARENT EDUCATION PROJECT

The Parent Education Project, "Parenthood in a Free Nation," directed by Ethel Kawin of the Department of Education, University of Chicago, was initiated in April, 1953, with a grant from the Fund for Adult Education, established by the Ford Foundation.

There seems to be a snowballing action taking place by this group of professional educators, their layman trainees who rose from the ranks of the Basic Course, and the PTAs who are cooperating. At first glance the topics for discussion are fundamental facts accepted by all good Americans as attributes to good citizenship. Delving further into the readings for the course, we are reminded of the World Politics (University of Chicago) discussion groups which represent a subtle blend of the innocuous, and the UN brand of education and philosophy.

The reading texts are only available to group members, for obvious reasons. With group dynamics functioning, there is little or no danger of the carefully-guided thinking getting out of hand.

It is important to note that one member of the panel of scholars chosen to evaluate the Basic Course was Dr. Robert J. Havighurst of the University of Chicago who was cited by the House Committee on Un-American Activities as having extensive Communist-front affiliations; listed by the American Legion National Americanism Commission as having been chairman of the board, Committee For Peaceful Alternatives To The Atlantic Pact, initiating sponsor, Mid-Century Conference For Peace, sponsor, Federation For Repeal Of The Levering Act, signer of an appeal for amnesty for jailed Communist Party leaders, signer of an appeal to President Truman from the Chicago Committee To Secure Justice In The Rosenberg Case, signer of a statement for the American Committee For The Protection Of Foreign Born, affiliated with the Emergency Civil Liberties Committee, sponsor, Bill Of Rights Conference. Dr. Havighurst (FIRING LINE, Aug. 15, 1954) was also quoted as a defender of the Jefferson School Of Social Science (the result of a merger of the Workers' School and the School For Democracy, previously cited as Communist schools), whose courses include, The Last Stage of Capitalism, Dialectical And Historical Materialism, etc.

Dr. Havighurst, it will be remembered, was called in 1949 to testify before the Seditious Activities Investigation Commission, State of Illinois, investigating the University of Chicago and Roosevelt College, regarding his membership in the Committee on Education of the National Council of American-Soviet Friendship.

Robert M. Hutchins, then chancellor of the University of Chicago, "hit a sour note" when he stated:

"The fact that some Communists belong to, believe in, or EVEN DOMINATE some of the organizations to which some of our professors belong does not show that these professors are engaged in subversive activities.

"All that such facts would show would be that these professors believed in SOME OF THE OBJECTS of the organizations."

To quote John S. Knight, well-known newspaper publisher:

"That may make the professors alluded to innocent of bad intent, but it also makes them out to be naive to the point of being unsuited as mentors of young people who must face a world composed of facts instead of dreams."

DOINGS OF AMERICAN PATRIOTS

In the January 22nd issue of the Englewood Anti-Communist League's publication, "Reveille," there is an excellent, hard-hitting report on the Anti-Defamation League of B'nai B'rith. The article stems from the following statement, taken from the Congressional Record:

"... the B'nai B'rith has been infiltrated by Communist agents. They are in control of its committee, the Anti-Defamation League of B'nai B'rith, which does the dirty work for the Communists. Aside from its pro-Communist complexion, the Anti-Defamation League is a vile racket which promotes hate, breeds intolerance, and maintains its own sinister gestapo spy network."

For people who haven't time to read volumes on the subject, this bulletin gives a brief, but thoroughly documented record of the committee. For a copy, send 25¢ to The Englewood Anti-Communist League, Inc., 320 Johnson Avenue, Englewood, N. J.

The history of the movement for Negro repatriation to Africa provides interesting reading. A special packet of up-to-date tracts on the subject may be obtained from Earnest Sevier Cox, Post Office Box 116, Richmond 1, Virginia. Be sure to enclose a contribution to pay for postage.

For some outstanding information about the conspiracy against the McCarran-Walter Immigration Law, send to Time For Truth Press, Inc., P. O. Box 2223, Palm Beach, Florida. Ask for the four recent Don Bell Reports entitled, "Immigration; America's Trojan Horse." They're really terrific!

The Make It New Book Shop, 169 Bleeker Street, New York 12, New York, lists many patriotic books in its eight page catalogue. Several of these books are difficult to obtain elsewhere.

We have received some interesting literature from the Supervisor of the Realpolitical Institute, Edward Fields. The Institute plans to sponsor a positive type of political action whereby the struggle against internal subversion is taken directly to our whitefolk, whose minds have been drugged by motion pictures, radio, television, and the infiltrated press. P. O. Box 1785, Chicago 90, Illinois.

We highly recommend the pamphlets offered by The Grass Roots League, P. O. Box 551, Charleston, South Carolina. Write today for information about the pamphlets dealing with the Negro problem.

The Canadian News Service publishes a newsletter exposing Communist treachery. Write for a sample copy. Monthly, \$2.00 per year. Flesherton, Ontario.

If you are a Catholic, we suggest you read the booklet, "The Pope Approves Segregation." When ordering, send a contribution of 25 or 50 cents. Patrick Warren Mernagh, Route 2, Box 118-J, Slidell, Louisiana.

The patriotic bulletin, "Strike," is issued monthly by William McNaughton, P. O. Box 3582, Georgetown Station, Washington, D. C. 50¢ yearly.

If you have not yet read Aldrich Blake's, "The Civil Rights Revolution," you owe it to yourself to do so. Writes U. S. Senator James O. Eastland of this book: "It is a true and powerful dissertation on the most vital issue affecting the American people today." This book is ringing liberty's bell, and it is also wringing the necks of the civil rights conspirators! It tells how to win a permanent victory over integration and the so-called civil rights codes. Send one dollar for your copy to the Nationalist Information Association, P. O. Box 147, Hinsdale, Illinois. Don't put off sending your order.

CHOOSE YE THIS DAY -- By Marilyn R. Allen

Whose stigmata will you carry
In your forehead, in your palm?
That of the Cross of Light and Glory?
Or the Beast's shameful mark,
That you may trade in the market-place?

Will you choose OLD GLORY - whose heritage is Freedom:
Or the hammer and the sickle - whose curse is Serfdom?
The Cross of Christ, humility and service?
Or the Star of David - that of Judas Iscariot -
Worship of self, of gold and mammon?

Each one now must choose his Brand:
Never was a choice so fraught with good or evil:
A choice from which there's NO returning.

The curtain rises on the Last Round-up:
Climactic crisis of the ages: there are
Only two kinds of players - villains and heroes:
There are no neutrals and no substitutes.
Soon, the days of appeasement, of betrayal,
Even the great day of battle, will be over:
Then the TIME OF JUDGMENT, when each
Man's Brand will mark him what he is,
As he faces the Boss of the Last Round-up.

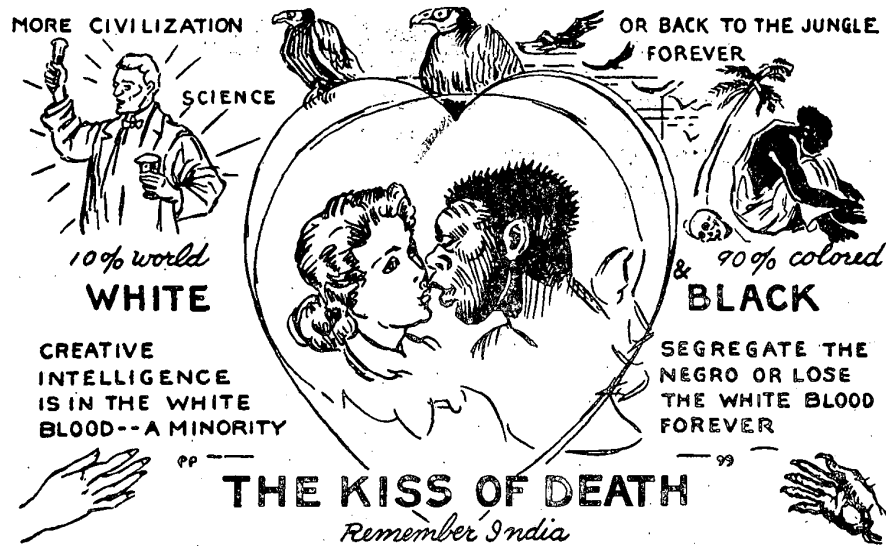

Too late, too late, for gnashing of teeth:
The Great Boss will ask, as you stand before Him:
"Whose Brand did you wear, below?
"Mine, or that of the Enemy of all Mankind?
"Did you help or hinder My Cause,
"When the bitter battle waxed hot?
"Did you befriend or betray those
"Who held high the Cross of My Son?"

To some, He'll say:
"Depart from Me, ye cursed: I never knew you."

And to those who fought the good fight:
"Well done, ye good and faithful servant: come up higher.
"To him that overcometh, will I give a crown."

Oh God of Hosts, let ME be found as true
As the azure hue of a star-studded sky:
Let me count life itself well lost
So that I bear Thy Cross, Thy Brand, aloft!

In my heart, burns unquenchable fire
Of Love and Gratitude to Thee, for
My Own, My Dear, and Native Land - a fire
That will not let me rest, but burns and burns
With anguish, that Thy people's eyes are holden:
Their hearts are hardened: why can't they see?
Why can't they understand? Oh give me words
To rouse them, lest bombs forever seal them silent!
Let me stir them from their puny ways of life
To the horror, grandeur, glory of THE LAST ROUND-UP!

The American mind is weakening. It is not as sound as 20 years ago. Selfishness, greed and easy living are doing the job.

We look frantically around for Russian spies, believing that Russia will attack us with armies. To us everything is material. In the meantime Russia is laughing. She has a more deadly weapon than the atomic bomb. She knows our strength is in our white stock and that when she has mixed our blood with Negro that we are licked forever.

While Russia makes laws to protect her own race she continues to prod us to accept 14,000,000 Negroes as social equals and we are doing everything possible to please her.

Radio announcers beg us to do this for strength and unity . . . Is India strong and united? She once had a white race. Every American who by word or deed helps Russia further this plan of race destruction is a traitor to kind and country.

Negro blood destroyed the civilization of Egypt, India, Phoenicia, Carthage, Greece and Rome. The Russians regard every Negro in our midst as a weapon more deadly than the atomic bomb.

Segregation is the law of God, not man, and is observed thru the whole animal kingdom. It is the cornerstone of all civilization. It protects all life on our planet. It made America great. Break it down and you break down our society. Nature it was who gave the white man the brains to make the machine. If she had wanted the Negro and Asiatic to enjoy this machine civilization as an equal she would have given him the intelligence to create the machine. Her method of control among animals is to curtail the intellect.

The Asiatic and Negro are living on lend-lease civilization. Without the white support these people take their rightful place and are no longer a menace. Continue to rob the white race in order to bribe the Asiatic and Negro and these people will overwhelm the white race and destroy all progress, religion, invention, art, and return us to the jungle. Preserve the white stock and you preserve the Christian way and the good life. Does a rose garden scatter weed seeds in its bed because God made weed seeds? Maybe God wanted to see if we had sense enough to know what to do under the circumstances. Pressure creates mind. Nature's ways are not easy ways. Only the weak and decadent must have an easy solution. The solution of complete disappearance.

We should begin by getting our minds back. Tell the Russians we are white and intend to stay white and protect our civilization and our country. Tell the Russians what the Negro is and that he is death to everything including Communism.

At present we are so afraid of Communism we are refusing to build homes for our white people while Negroes are multiplying by leaps and bounds. We are persecuting our white stock for trying to protect and preserve its white blood. We are accepting the only deadly thing about Communism, the Negro, in order to fight Communism.

Our first move should be to quit sending American treasure to Asia or Africa or any colored race. Help all white people anywhere including the Germans who are our own kind. Invite the Russians to help preserve the white blood which is a minority stock. If we would do this we would recover our sanity and lose our fear, and Russia would respect us as she does not wish to be classed as colored any more than we do.

We still have time to save ourselves from Russian propaganda and the fate of India. Remember Christianity would not live 50 years among Negroes and Chinese. Remember civilization would not survive if the white man is destroyed. Remember the white stock is the minority race and that the colored people far out-number and out breed the white man. Remember, mixing white children with Negroes is a form of insanity. It takes the form of religion, democracy, brotherhood, etc. It is a pollution complex directed from Moscow. Remember discrimination is not a sin-- It is a sign of Mind or God working thru man to protect what is good. A discriminating person is an intelligent person. Remember the white man is making his last stand and that he has been overwhelmed by trash more than once and it is what you do and say as an individual that may determine his future forever, for even God cannot turn a Negro into a white man again for God follows inevitable laws of kind making kind. In the meantime our courts, churches, newspapers, and radios are helping Russia in her deadly work of destroying America--or anything that is worth saving in America.

Negro Blood Destroyed the Civilization of Egypt, India, Phoenicia, Carthage, Greece and Rome.
It will Destroy America!

FBI "GESTAPO TACTICS" ASSAILED

Little Rock's Dr. Dale Alford, the write-in segregationist candidate who whipped veteran congressman Brooks Hays, an ardent race-mixer and modernist preacher, in last November's general elections, has incurred the wrath of the Jews and their pint-sized Mikoyan, Attorney General William Rogers. As a result, Rogers has once again dispatched a plague of FBI terrorists into Little Rock, this time to "uncover" "evidence" that Dr. Alford was not "legally" elected.

Dr. Alford has publically assailed the FBI for employing "gestapo tactics". He has charged that FBI agents have illegally invaded his district and are engaged in quizzing and intimidating election officials and his friends.

Dr. Alford commented that the current "investigation" by the FBI is similar to one it conducted a year ago:

"Little more than a year ago, they (the FBI) swarmed into the district by the dozens -- yes, by the scores under direction of the Justice Department -- in an effort to justify an equally as unwarranted and illegal use of Federal police powers in a matter reserved to the discretion of the States. Then, as now, they sought information on only one side of the issue -- they sought only evidence that would support the politically inspired action of the Department of Justice -- yes, even the politically inspired action of the executive department of our Government. Then, as now, the Federal police powers were diverted from their intended purpose -- to a scheme that borders on being nefarious.

"They interrogated hundreds of people. Guns in shoulder holsters, they came in teams into the newspaper offices to question reporters -- to demand access to private files -- and they asked questions on only one side of the issue. They sought out newspaper reporters in their homes -- invading their privacy -- and when all else failed, they attempted to wheedle out hearsay information that might support the political position that had been dictated from above.

"I SAY THIS IS AN UNHEALTHY SITUATION IN AMERICA.

"THERE IS NO ROOM IN AMERICA FOR A POLICE STATE -- A GESTAPO, IF YOU PLEASE -- engaged in the political soirees . . . of those who are presently, although temporarily, in power. And I say that, if this condition is permitted to continue, then the name of the Department of Justice should be changed -- for it is a misnomer."

On the subject of his election, Dr. Alford told the House of Representatives:

"I welcome an investigation, but it is my feeling that the FBI has no place in questioning residents of the Fifth Congressional District of Arkansas on the circumstances surrounding the selection of their Representative in this Congress. I repeat, that is a matter reserved exclusively to the Members of this House."

THE REVERE applauds Dr. Alford for standing up to the FBI. It is about time that the American people knew of the underhanded and unscrupulous activities of Rogers and his arrogant bullies; also of the alliance between the FBI and the Anti-Defamation League of B'nai B'rith, the notorious Jewish secret police and espionage organization.

JEWISH POWER IN GERMANY

Those poor Germans. The Jewish vampires are really at their throats.

Jews, Jews, Jews, -- Jews everywhere, just like in the United States, only worse, in many respects, is perhaps the best way of describing conditions there.

In Germany today it is a crime to make "anti-Jewish" remarks in public. University professors and others have been arrested and even imprisoned for making statements critical of Jews or Jewish policies. A great many German citizens have been forced to flee their country to avoid persecution on such charges.

The case of Karl Meissner is typical. A complaint was filed against Meissner last year by the

Society for Christians and Jews, the German counterpart of America's National Conference of Christians and Jews, charging him with "defaming the Jews" in a speech in which he declared that "Brotherhood Week" should be considered a "week of repulsiveness". Last September, the Munich District Court acquitted Meissner, ruling that his remarks were not slanderous to the "Jewish people". Recently, however, the FEDERAL SUPREME COURT reversed the acquittal and ordered a retrial. (Shades of our own Jewish-controlled Supreme Court.)

The "American" Jewish press has been gleefully reporting these incidents to its Kosher subscribers. Hardly a week goes by without the mention of an arrest of a "bigot".

But there are signs of a new awakening in Germany. Just a short while ago the German paper, DIE WELT, admitted that "anti-Semitism" had again become a "problem" of "painful" actuality and pointed to a public opinion poll in which 88% of those questioned refused even to discuss their opinion of the "Jewish question" — another in which "a third came clearly out in favor of the old anti-Semitic concepts."

If it weren't for their preoccupation with the division of their country, a situation brought about by the Jews, it is likely that the Germans would be taking steps in the direction of solving the "Jewish question" in Germany.

WHAT DO YOU THINK?

By Mrs. M. Conan

Too bad those who are pushing Communist programs such as Urban Renewal, Slum Clearance and Public Housing couldn't have been in the County Courthouse on January 20, 1959, and heard the sobs of the owners who are being forced to give up their homes on 17th and 18th Streets, south of Adams, in Phoenix, Arizona, where the government wants to put up 164 housing units.

Communism is taking over. No more private ownership. We will all be slaves; live where we are put, vote as told, do as told, or else.

How to stop this usurpation of property: Every citizen who has any concern for our future must vigorously fight against all these communistic programs. The time to fight IS NOW!

All Christians should demand that this robbery of homes by the government be stopped immediately.

"ROCKIN' — ROLLIN' PARSON"

We have come across an interesting article in the March 8, 1959, issue of PARADE, a Sunday newspaper magazine supplement. It is titled: "Rockin' — Rollin' Parson".

Dateline Downley, England, this article reports the story of the Rev. Cavell Northam, who sings "rock-'n'-roll" songs in taverns.

Captions under two of the pictures in the article are noteworthy of mention: "Leading song, the Rev. Cavell Northam belts out 'Don't You Rock Me Daddy-O' on guitar as tavern flock joins in the chorus"; and "Heading home, the Rev. Northam carries guitar at left-shoulder arms after evening of song in local tavern. He also writes rock-'n'-roll tunes, drinks beer with flock".

The article goes on to explain that Rev. Northam took up African music to become popular with his fellow townspeople and build up church attendance. (Yes, you read correctly. Fantastic, isn't?!)

The PARADE article is not as extreme as example of the degradation of Christianity as one might conclude at first glance. Things almost as bad, and worse, are going on all over the nation. In fact, the same article reports that a similar movement to the one in England is afoot in the U.S. BOTH Protestant and Catholic clergymen are involved.

No wonder church attendance is up. It will be up even more when they open bars and install jukeboxes and cigarette vending machines in the church foyers.

The Satanists must be very pleased. All this promotion of "rock-'n'-roll", jazz and liquor is the work of the children of the devil. Of course, the Jews control all of these industries.

RESURRECTION

HE IS RISEN - He is not here!
The Angels did proclaim.
Transformed to heavenly glory,
In Spirit once again.

Lo, our Saviour arose to live
In hearts and lives away.
Redeeming by His sinless blood
The sheep who went astray.

A victory won upon the Cross,
For all His wand'ring sheep.
Forevermore to be with Him
As He our souls will keep.

Christ, our Lord, arose again
That thru Him we might live!
Redeemed forever by His grace,
Our sins He will forgive.

Glory to our Blessed Saviour,
Who gave us second birth.
He will come in grace and love
To rule as KING ON EARTH!

JEWS FEAR DEBATES

The January 29, 1959, issue of the (Jewish) AMERICAN EXAMINER contains the following rather curious admonition:

"Although hate-literature distribution reached an all-time high in the U.S. last year, according to a report by the American Jewish Committee, Jewish organizations ought not to try to refute the bigots arguments.

"Ralph E. Samuel, chairman of the Committee's national executive board, stressed that such efforts are futile, since most professional hate-mongers cannot be convinced of the error of their ways by truth or logic -- and to engage them in 'debates' merely serves to publicize their propaganda."

Here we have a typical example of Jewish diversionary double talk.

Anybody who knows anything at all about the subject of debating knows that the purpose of a public debate of the kind to which Mr. Samuel refers IS NOT for one debater to convert the other.

Rather, the purpose of such a public debate is to enlighten, to provide the uninformed or undecided third party or parties with both sides of an issue.

Of course, the Jews are afraid to have both sides of the Jewish question aired in public. They know all too well what the outcome would be. Their own bible, THE TALMUD, warns them: "...if the goyim knew what we teach about them they would kill us openly." That is the reason why there is a tight censorship of the press, radio and tv. THE TRUTH IS POISON TO THE JEWS AND THEIR STOOGES.

JEWS CONQUEST OF ENGLAND

Between the expulsion of the Jews in 1290 and their formal return in 1665 there is no official trace of Jews on English soil. Notwithstanding, a certain number of them appear to have come back, for complaints were made to the king in 1376 that some of those TRADING as Lombards were JEWS. Toward the middle of the seventeenth century a considerable number of Marano (secret Jews) MERCHANTS settled in London and formed there a secret congregation. Their position enabled them to give Cromwell important information as to the plans of both Charles Stewart in Holland and of the Spaniards in the New World. Outwardly they passed as spaniards and Catholics; but they held prayer-meetings at Cree Church Lane, and became known to the Government as Jews by faith.

Meanwhile PUBLIC OPINION in England had been prepared BY THE PURITAN MOVEMENT for a SYMPATHETIC treatment of any proposal by the Judaizing sects among the extremists of the Parliamentary party for the READMISSION OF THE JEWS into England.

Meanwhile the commercial policy which lead to the Navigation Act in Oct., 1651, made Cromwell desirous of attracting the rich Jews of Amsterdam to London so they might transfer their important TRADE interests with the Spanish Main from Holland to England. (Rabbi) Manasseh ben Israel sent his brother-in-law to London to present to the council a petition for the READMISSION OF JEWS.

The council, however, REFUSED TO ACT. Cromwell therefore induced Manasseh himself to come over to London, which he did at the end of Sept., 1655. As a consequence a national conference was summoned at Whitehall in the early

part of December. Cromwell STOPPED the discussion in order TO PREVENT an adverse decision. As a final result, Cromwell appears to have given INFORMAL PERMISSION to the Jews to reside and TRADE in England. Solomon Dormido, a nephew of Manasseh ben Israel, was admitted to the Royal Exchange as a duly licensed BROKER of the city of London WITHOUT TAKING THE USUAL OATHS INVOLVING THE FAITH OF CHRISTIANITY.

This somewhat surreptitious method of solving the Jewish question in England had the advantage of not raising anti-Semitic feelings too strongly; and it likewise enabled Charles II, on his return, to avoid taking any action on the petition of the merchants of London asking him to REVOKE Cromwell's concession. The king in council assured the Jews of the continuance of former favor. — The Jewish Encyclopedia, under "England".

GET BUSY AND FIGHT

Aren't your Christian, National and Racial heritages worth something to you? Doesn't it bother you to see our beautiful America being destroyed from within? Are you willing to stand by and let America become a slave state, a satellite of Israel, with the Jews as absolute rulers?

You, YES YOU, EVERY ONE OF YOU, can do something to save America. You can begin by organizing in your own community. We can't go anywhere or do anything unless we are organized at the "grass roots" level.

Start out in a small way. Form a tightly-knit "LIBERATION UNIT". Recruit one or two friends, preferably ones who have at least a general understanding of what is going on in the country. Educate them. Hold regular meetings in the homes of members of your unit.

Pool your funds. Forget the Jewish racket charities. Subscribe to patriotic publications. Purchase educational books. Order quantities of literature.

Blanket your town and adjacent area with literature. LEAVE IT EVERYWHERE YOU GO. Paste it on the walls of buildings and on store windows. Insert it in library books. Leave it in railway terminals at night.

Just a few people can stir up a real storm. The more active you become, the more interest you will create. Most people aren't thinking, one way or the other. You can start them thinking.

Above all, don't let anything discourage your efforts. Even if your unit is limited to just one other person, KEEP ACTIVE. WORK DAY AND NIGHT. Numbers aren't necessarily important. Victories are often built on defeats. UNITE! WORK! INFILTRATE!

You can be a part of this growing liberation movement. Put your mind to it. THEN, GET BUSY AND FIGHT!

FBI "GESTAPO TACTICS" ASSAILED

Little Rock's Dr. Dale Alford, the write-in segregationist candidate who whipped veteran congressman Brooks Hays, an ardent race-mixer and modernist preacher, in last November's general elections, has incurred the wrath of the Jews and their pint-sized Mikoyan, Attorney General William Rogers. As a result, Rogers has once again dispatched a plague of FBI terrorists into Little Rock, this time to "uncover" "evidence" that Dr. Alford was not "legally" elected.

Dr. Alford has publically assailed the FBI for employing "gestapo tactics". He has charged that FBI agents have illegally invaded his district and are engaged in quizzing and intimidating election officials and his friends.

Dr. Alford commented that the current "investigation" by the FBI is similar to one it conducted a year ago:

"Little more than a year ago, they (the FBI) swarmed into the district by the dozens -- yes, by the scores under direction of the Justice Department -- in an effort to justify an equally as unwarranted and illegal use of Federal police powers in a matter reserved to the discretion of the States. Then, as now, they sought information on only one side of the issue -- they sought only evidence that would support the politically inspired action of the Department of Justice -- yes, even the politically inspired action of the executive department of our Government. Then, as now, the Federal police powers were diverted from their intended purpose -- to a scheme that borders on being nefarious.

"They interrogated hundreds of people. Guns in shoulder holsters, they came in teams into the newspaper offices to question reporters -- to demand access to private files -- and they asked questions on only one side of the issue. They sought out newspaper reporters in their homes -- invading their privacy -- and when all else failed, they attempted to wheedle out hearsay information that might support the political position that had been dictated from above.

"I SAY THIS IS AN UNHEALTHY SITUATION IN AMERICA.

"THERE IS NO ROOM IN AMERICA FOR A POLICE STATE -- A GESTAPO, IF YOU PLEASE -- engaged in the political soirees . . . of those who are presently, although temporarily, in power. And I say that, if this condition is permitted to continue, then the name of the Department of Justice should be changed -- for it is a misnomer."

On the subject of his election, Dr. Alford told the House of Representatives:

"I welcome an investigation, but it is my feeling that the FBI has no place in questioning residents of the Fifth Congressional District of Arkansas on the circumstances surrounding the selection of their Representative in this Congress. I repeat, that is a matter reserved exclusively to the Members of this House."

THE REVERE applauds Dr. Alford for standing up to the FBI. It is about time that the American people knew of the underhanded and unscrupulous activities of Rogers and his arrogant bullies; also of the alliance between the FBI and the Anti-Defamation League of B'nai B'rith, the notorious Jewish secret police and espionage organization.

JEWISH POWER IN GERMANY

Those poor Germans. The Jewish vampires are really at their throats.

Jews, Jews, Jews, -- Jews everywhere, just like in the United States, only worse, in many respects, is perhaps the best way of describing conditions there.

In Germany today it is a crime to make "anti-Jewish" remarks in public. University professors and others have been arrested and even imprisoned for making statements critical of Jews or Jewish policies. A great many German citizens have been forced to flee their country to avoid persecution on such charges.

The case of Karl Meissner is typical. A complaint was filed against Meissner last year by the

Society for Christians and Jews, the German counterpart of America's National Conference of Christians and Jews, charging him with "defaming the Jews" in a speech in which he declared that "Brotherhood Week" should be considered a "week of repulsiveness". Last September, the Munich District Court acquitted Meissner, ruling that his remarks were not slanderous to the "Jewish people". Recently, however, the FEDERAL SUPREME COURT reversed the acquittal and ordered a retrial. (Shades of our own Jewish-controlled Supreme Court.)

The "American" Jewish press has been gleefully reporting these incidents to its Kosher subscribers. Hardly a week goes by without the mention of an arrest of a "bigot".

But there are signs of a new awakening in Germany. Just a short while ago the German paper, DIE WELT, admitted that "anti-Semitism" had again become a "problem" of "painful" actuality and pointed to a public opinion poll in which 88% of those questioned refused even to discuss their opinion of the "Jewish question" — another in which "a third came clearly out in favor of the old anti-Semitic concepts."

If it weren't for their preoccupation with the division of their country, a situation brought about by the Jews, it is likely that the Germans would be taking steps in the direction of solving the "Jewish question" in Germany.

WHAT DO YOU THINK?

By Mrs. M. Conan

Too bad those who are pushing Communist programs such as Urban Renewal, Slum Clearance and Public Housing couldn't have been in the County Courthouse on January 20, 1959, and heard the sobs of the owners who are being forced to give up their homes on 17th and 18th Streets, south of Adams, in Phoenix, Arizona, where the government wants to put up 164 housing units.

Communism is taking over. No more private ownership. We will all be slaves; live where we are put, vote as told, do as told, or else.

How to stop this usurpation of property: Every citizen who has any concern for our future must vigorously fight against all these communistic programs. The time to fight IS NOW!

All Christians should demand that this robbery of homes by the government be stopped immediately.

"ROCKIN' — ROLLIN' PARSON"

We have come across an interesting article in the March 8, 1959, issue of PARADE, a Sunday newspaper magazine supplement. It is titled: "Rockin' — Rollin' Parson".

Dated in Downley, England, this article reports the story of the Rev. Cavell Northam, who sings "rock-'n'-roll" songs in taverns.

Captions under two of the pictures in the article are noteworthy of mention: "Leading song, the Rev. Cavell Northam belts out 'Don't You Rock Me Daddy-O' on guitar as tavern flock joins in the chorus"; and "Heading home, the Rev. Northam carries guitar at left-shoulder arms after evening of song in local tavern. He also writes rock-'n'-roll tunes, drinks beer with flock".

The article goes on to explain that Rev. Northam took up African music to become popular with his fellow townspeople and build up church attendance. (Yes, you read correctly. Fantastic, isn't?!)

The PARADE article is not as extreme as example of the degradation of Christianity as one might conclude at first glance. Things almost as bad, and worse, are going on all over the nation. In fact, the same article reports that a similar movement to the one in England is afoot in the U.S. BOTH Protestant and Catholic clergymen are involved.

No wonder church attendance is up. It will be up even more when they open bars and install jukeboxes and cigarette vending machines in the church foyers.

The Satanists must be very pleased. All this promotion of "rock-'n'-roll", jazz and liquor is the work of the children of the devil. Of course, the Jews control all of these industries.

RESURRECTION

HE IS RISEN - He is not here!
The Angels did proclaim.
Transformed to heavenly glory,
In Spirit once again.

Lo, our Saviour arose to live
In hearts and lives alway.
Redeeming by His sinless blood
The sheep who went astray.

A victory won upon the Cross,
For all His wand'ring sheep.
Forevermore to be with Him
As He our souls will keep.

Christ, our Lord, arose again
That thru Him we might live!
Redeemed forever by His grace,
Our sins He will forgive.

Glory to our Blessed Saviour,
Who gave us second birth.
He will come in grace and love
To rule as KING ON EARTH!

JEWS FEAR DEBATES

The January 29, 1959, issue of the (Jewish) AMERICAN EXAMINER contains the following rather curious admonition:

"Although hate-literature distribution reached an all-time high in the U.S. last year, according to a report by the American Jewish Committee, Jewish organizations ought not to try to refute the bigots arguments.

"Ralph E. Samuel, chairman of the Committee's national executive board, stressed that such efforts are futile, since most professional hate-mongers cannot be convinced of the error of their ways by truth or logic -- and to engage them in 'debates' merely serves to publicize their propaganda."

Here we have a typical example of Jewish diversionary double talk.

Anybody who knows anything at all about the subject of debating knows that the purpose of a public debate of the kind to which Mr. Samuel refers IS NOT for one debater to convert the other.

Rather, the purpose of such a public debate is to enlighten, to provide the uninformed or undecided third party or parties with both sides of an issue.

Of course, the Jews are afraid to have both sides of the Jewish question aired in public. They know all too well what the outcome would be. Their own bible, THE TALMUD, warns them: "...if the goyim knew what we teach about them they would kill us openly." That is the reason why there is a tight censorship of the press, radio and tv. THE TRUTH IS POISON TO THE JEWS AND THEIR STOOGES.

JEWISH CONQUEST OF ENGLAND

Between the expulsion of the Jews in 1290 and their formal return in 1665 there is no official trace of Jews on English soil. Notwithstanding, a certain number of them appear to have come back, for complaints were made to the king in 1376 that some of those TRADING as Lombards were JEWS. Toward the middle of the seventeenth century a considerable number of Marano (secret Jews) MERCHANTS settled in London and formed there a secret congregation. Their position enabled them to give Cromwell important information as to the plans of both Charles Stewart in Holland and of the Spaniards in the New World. Outwardly they passed as spaniards and Catholics; but they held prayer-meetings at Cree Church Lane, and became known to the Government as Jews by faith.

Meanwhile PUBLIC OPINION in England had been prepared BY THE PURITAN MOVEMENT for a SYMPATHETIC treatment of any proposal by the Judaizing sects among the extremists of the Parliamentary party for the READMISSION OF THE JEWS into England.

Meanwhile the commercial policy which lead to the Navigation Act in Oct., 1651, made Cromwell desirous of attracting the rich Jews of Amsterdam to London so they might transfer their important TRADE interests with the Spanish Main from Holland to England. (Rabbi) Manasseh ben Israel sent his brother-in-law to London to present to the council a petition for the READMISSION OF JEWS.

The council, however, REFUSED TO ACT. Cromwell therefore induced Manasseh himself to come over to London, which he did at the end of Sept., 1655. As a consequence a national conference was summoned at Whitehall in the early

part of December. Cromwell STOPPED the discussion in order TO PREVENT an adverse decision. As a final result, Cromwell appears to have given INFORMAL PERMISSION to the Jews to reside and TRADE in England. Solomon Dormido, a nephew of Manasseh ben Israel, was admitted to the Royal Exchange as a duly licensed BROKER of the city of London WITHOUT TAKING THE USUAL OATHS INVOLVING THE FAITH OF CHRISTIANITY.

This somewhat surreptitious method of solving the Jewish question in England had the advantage of not raising anti-Semitic feelings too strongly; and it likewise enabled Charles II, on his return, to avoid taking any action on the petition of the merchants of London asking him to REVOKE Cromwell's concession. The king in council assured the Jews of the continuance of former favor. — The Jewish Encyclopedia, under "England".

We hope that you will not forget THE REVERE during these difficult summer months of July and August. We are counting on our friends to provide us with the means to wage a vigorous and creditable campaign during this crucial period just preceding the September renewal of the Integration Wars. Fortunate in having a number of young and dedicated Patriots working with us, we are ready and most anxious to put up a good fight, if only we can muster enough support to meet our modest budget.

We call your special attention to our two new leaflets, "Death to the Traitors" and "Save the White Race", enclosed with this mailing. We feel they should be given the widest possible circulation. They can effectively be posted on bulletin boards and store windows and placed in streetcars, trains, and stations, etc. They are also suitable for enclosing with your correspondence.

With best wishes and kindest regards, I am,

Faithfully,

THE TALMUD UNMASKED

WHAT IS THE TALMUD?

The Babylonian Talmud is the Jewish law book, used in the training of rabbis, taught in the synagogues by the rabbis and studied by the Jews from an early age until death. Without any question, the Talmud stands as the SUPREME AUTHORITY of Jewish law, philosophy and ethics, containing the unchanging moral code by which the religious and social life of the Jews has been regulated to this day. The Jews believe in the teachings of the Talmud and act in accordance with its teachings.

The teachings of the Christian Bible are available to all, for it is to be found everywhere. On the other hand, only a very few non-Jews have even so much as heard of the Talmud, and still fewer know of its teachings, for it is scores of volumes in length and shrouded in secrecy by the Jews.

THE CODE OF THE JEWS

The Talmud refers to Jesus Christ as the bastard son of a harlot (*Kallah, 1b, 18b*). Jesus is blasphemed as a fool (*Sabbath, 114b*), a conjurer (*Toldoth Jeshu*), an idolater (*Sanhedrin, 103a*) and a seducer (*Sanhedrin, 107b*). The Talmud teaches that Jesus died like a beast and was buried in that "dirt heap" where they throw the carcasses of dogs and asses, and where the stings of scorpions (the Christians) and of lances (the Jews) also Jesus and Mohammed, uncircumcized and unclean like dead dogs, are buried. — *Zohar, III, 282*.

One of the basic doctrines of the Talmud is that all non-Talmudists rank as non-beasts, that they are not like men, but beasts. (*Erubith, 64a, 28b*).

A JEW WHO KILLS A CHRISTIAN COMMITS NO SIN, BUT OFFERS AN ACCEPTABLE SACRIFICE TO GOD, rams the Talmud (*Sepher Or Israel*). "Even the best of the non-Jews should be killed." — *Abodah Zarah, 26b, Tosefta*.

The following quotations from and about the Talmud should be of interest to all Christians. NOTE: "GOY" means non-Jew; "GOYIM" is plural for goy.

"Jehovah Himself studies the Talmud standing, he has such respect for that book." — *Eretz Mechilla*.

"Every goy who studies the Talmud and the Jew who helps him in it, ought to die." — *Sanhedrin, 59a, Abodah Zarah 8-6*.

"To communicate anything to a goy about religious relations would be equal to the killing of all Jews, for if the goyim knew what we teach about them they would kill us openly." — *Libbre David 37*.

"A Jew should and must make a false oath when the goyim ask if our books contain anything against them." — *Sanhedrin, The Book of Jore Dea 17*.

"The Jews are human beings, but the nations of the world are not human beings but beasts." — *Baba Mezia 114, 6*.

"HATE-MONGERING"

Much has been said about so-called anti-Jewish "hate-mongering". While a great many self-sacrificing Christians have been smeared, persecuted and falsely branded as "hate-mongers", the masters of "hate-mongering", the TALMUDIC JEWS, have gone unchallenged.

Think about "hate-literature"! Could there possibly be any more vicious "hate-literature" than that Jewish cesspool of filth and hatred, the Talmud? And when it comes to inciting to violence, the Talmud, with its commands to kill Christians, is unsurpassed.

We will leave it up to any impartial jury to decide. Who are the real "hate-mongers" — the Talmudic Jews, or the Christian patriots who seek to expose them?

"When the Messiah comes every Jew will have 2800 slaves." — *Simeon Haddarsen, fol. 56-D*.

"Jehovah created the non-Jew in the form so that the Jew would not have to be served by beasts. The non-Jew is consequently an animal in human form, and condemned to serve the Jew day and night." — *Midrash Talpith, 225-L*.

"As soon as the King Messiah will declare himself, He will destroy Rome and make a wilderness of it. Thorns and weeds will grow in the Pope's palace. Then He will start a merciless war on non-Jews and will overpower them. He will slay them in masses, kill their kings and lay waste the whole Roman land. He will say to the Jews: 'I am the King Messiah for whom you have been waiting. Take the silver and gold from the goyim.' " — *Josiah 60, 6. Rabbi Abanahel to Danig 7, 13*.

"A Jew may do to a non-Jewess what he can do. He may treat her as he treats a piece of meat." — *Nadarine, 20, B; Schulchan Aruch, Choszen Hanispat 348*.

"A Jew may rob a goy — that is, he may cheat him in a bill, if unlikely to be perceived by him." — *Schulchan Aruch, Choszen Hanispat 348*.

"All property of other nations belongs to the Jewish nation, which, consequently, is entitled to seize upon it without any scruples. An orthodox Jew is not bound to observe principles of morality towards people of other tribes. He may act contrary to morality, if possible to himself or to Jews in general." — *Schulchan Aruch, Choszen Hanispat 348*.

"On the house of the goy one looks as on the fold of cattle." — *Tosefta, Erubin VII, 1*.

"How to interpret the word 'robbery.' A goy is forbidden to steal, rob, or take women slaves, etc., from a goy or from a Jew. But a Jew is NOT forbidden to do all this to a goy." — *Tosefta, Abodah Zarah VIII, 5*.

"All vows, oaths, promises, engagements, and swearing, which, beginning this very day of reconciliation till the next day of reconciliation, we intend to vow, promise, swear, and bind ourselves to fulfill, we repeat of hitherto: let them be nullified, acquitted, annihilated, abolished, valueless, unimportant. Our vows shall be as pews, and our oaths as oaths at all." — *Schulchan Aruch, Edit. I, 136*.

"At the time of the Chelamood the transaction of any kind of business is forbidden. But it is permitted to cheat a goy, because cheating of goyim at any time pleases the Lord." — *Schulchan Aruch, Orach Chaim 539*.

"It is permitted to kill a Jewish denunciator everywhere. It is permitted to kill him even before he denounces." — *Schulchan Aruch, Choszen Hanispat 388*.

"If a Jew be called upon to explain any part of the rabbinic books, he ought to give only a false explanation. Who ever will violate this order shall be put to death." — *Libbre David 37*.

□ □ □ □ □ □ □

Is it necessary to give any more of these quotations, to show the average intelligent American citizen that these Jewish people are not to be trusted? THERE ARE THOUSANDS OF SIMILAR PASSAGES IN ALL OF THE JEWISH WRITINGS, but after reading these few, they ought to be enough to bring these questions to the mind of patriots:

How can a Jew take the oath of naturalization and become an American citizen? And, is it unjust to observe he may be valueless if not dangerous to American society?

How can a Jew legally and morally take the oath of Public Office?

How can a Jew be relied upon as a witness or an official in American Courts of Law?

How can a Jew be permitted to take the oaths and obligations of Christian American Lodges?

How can a Jew be expected to act as a worthy and ethical leaven in the capacity of publisher, editor, correspondent; theatrical and cinema producer or director; banker, statesman, congressman, or educator of American Youth?

Will you help in the distribution of this important leaflet? Order as many copies as you can and distribute them to ministers and public officials and to all your friends and relatives.

The PARADE article is not as extreme as example of the degradation of Christianity as one might conclude at first glance. Things almost as bad, and worse, are going on all over the nation. In fact, the same article reports that a similar movement to the one in England is afoot in the U.S. BOTH Protestant and Catholic clergymen are involved.

No wonder church attendance is up. It will be up even more when they open bars and install jukeboxes and cigarette vending machines in the church foyers.

The Satanists must be very pleased. All this promotion of "rock-'n'-roll", jazz and liquor is the work of the children of the devil. Of course, the Jews control all of these industries.

RESURRECTION

HE IS RISEN - He is not here!
The Angels did proclaim.
Transformed to heavenly glory,
In Spirit once again.

Lo, our Saviour arose to live.
In hearts and lives alway.
Redeeming by His sinless blood.
The sheep who went astray.

A victory won upon the Cross,
For all His wand'ring sheep.
Forevermore to be with Him
As He our souls will keep.

Christ, our Lord, arose again
That thru Him we might live!
Redeemed forever by His grace,
Our sins He will forgive.

Glory to our Blessed Saviour,
Who gave us second birth.
He will come in grace and love
To rule as KING ON EARTH!

JEWS FEAR DEBATES

The January 29, 1959, issue of the (Jewish) AMERICAN EXAMINER contains the following rather curious admonition:

"Although hate-literature distribution reached an all-time high in the U.S. last year, according to a report by the American Jewish Committee, Jewish organizations ought not to try to refute the bigots arguments.

"Ralph E. Samuel, chairman of the Committee's national executive board, stressed that such efforts are futile, since most professional hate-mongers cannot be convinced of the error of their ways by truth or logic -- and to engage them in 'debates' merely serves to publicize their propaganda."

Here we have a typical example of Jewish inversionary double talk.

Anybody who knows anything at all about the subject of debating knows that the purpose of a public debate of the kind to which Mr. Samuel refers IS NOT for one debater to convert the other.

Rather, the purpose of such a public debate is to enlighten, to provide the uninformed or undecided third party or parties with both sides of an issue.

Of course, the Jews are afraid to have both sides of the Jewish question aired in public. They know all too well what the outcome would be. Their own bible, THE TALMUD, warns them: "...if the goyim knew what we teach about them they would kill us openly." That is the reason why there is a tight censorship of the press, radio and tv. THE TRUTH IS POISON TO THE JEWS AND THEIR STOOGES.

JEWISH CONQUEST OF ENGLAND

Between the expulsion of the Jews in 1290 and their formal return in 1665 there is no official trace of Jews on English soil. Notwithstanding, a certain number of them appear to have come back, for complaints were made to the king in 1376 that some of those TRADING as Lombards were JEWS. Toward the middle of the seventeenth century a considerable number of Marano (secret Jews) MERCHANTS settled in London and formed there a secret congregation. Their position enabled them to give Cromwell important information as to the plans of both Charles Stewart in Holland and of the Spaniards in the New World. Outwardly they passed as spaniards and Catholics; but they held prayer-meetings at Cree Church Lane, and became known to the Government as Jews by faith.

Meanwhile PUBLIC OPINION in England had been prepared BY THE PURITAN MOVEMENT for a SYMPATHETIC treatment of any proposal by the Judaizing sects among the extremists of the Parliamentary party for the READMISSION OF THE JEWS into England.

Meanwhile the commercial policy which lead to the Navigation Act in Oct., 1651, made Cromwell desirous of attracting the rich Jews of Amsterdam to London so they might transfer their important TRADE interests with the Spanish Main from Holland to England. (Rabbi) Manasseh ben Israel sent his brother-in-law to London to present to the council a petition for the READMISSION OF JEWS.

The council, however, REFUSED TO ACT. Cromwell therefore induced Manasseh himself to come over to London, which he did at the end of Sept., 1655. As a consequence a national conference was summoned at Whitehall in the early

part of December. Cromwell STOPPED the discussion in order TO PREVENT an adverse decision. As a final result, Cromwell appears to have given INFORMAL PERMISSION to the Jews to reside and TRADE in England. Solomon Dormido, a nephew of Manasseh ben Israel, was admitted to the Royal Exchange as a duly licensed BROKER of the city of London WITHOUT TAKING THE USUAL OATHS INVOLVING THE FAITH OF CHRISTIANITY.

This somewhat surreptitious method of solving the Jewish question in England had the advantage of not raising anti-Semitic feelings too strongly, and it likewise enabled Charles II, on his return, to avoid taking any action on the petition of the merchants of London asking him to REVOKE Cromwell's concession. The king in council assured the Jews of the continuance of former favor. — The Jewish Encyclopedia, under "England".

BRIEFS

● TIME magazine reports that when Gov. Orval Faubus spoke recently at a patriotic rally in Houston, Texas, he was heckled by a Jew, Daniel Rosenstein, M.D. The audience tossed the Jew out of the hall.

● The Arkansas House of Representatives has forced the withdrawal of a bill aimed at repealing a state law against the teaching of Charles Darwin's theories on evolution.

● Who has been persecuting white Alabamians, including patriotic Judge Wallace? Yes, you guessed it, another Jew, named A.H. Rosenfeld, head of the Civil Rights Commission's Complaint Department. — THE THUNDERBOLT.

● To the question "Why do liberals attack the South?", Richard M. Weaver, writing in NATIONAL REVIEW, comments: "Because its order, based on custom, history and a common faith, challenges their own hollow nihilism."

● Dr. Amon Nikoi, UN delegate from Ghana, on the relationship between American Negroes and Africans: "You Negroes here in America are regarded by us at home as just being in temporary exile."

● If and when John Foster Dulles is forced to resign his post, Under Secretary of State "C. Douglas Dillon" will be one of the candidates for the job. Dillon's real name is not Dillon. He is a Jew.

GET BUSY AND FIGHT

Aren't your Christian, National and Racial heritages worth something to you? Doesn't it bother you to see our beautiful America being destroyed from within? Are you willing to stand by and let America become a slave state, a satellite of Israel, with the Jews as absolute rulers?

You, YES YOU, EVERY ONE OF YOU, can do something to save America. You can begin by organizing in your own community. We can't go anywhere or do anything unless we are organized at the "grass roots" level.

Start out in a small way. Form a tightly-knit "LIBERATION UNIT". Recruit one or two friends, preferably ones who have at least a general understanding of what is going on in the country. Educate them. Hold regular meetings in the homes of members of your unit.

Pool your funds. Forget the Jewish racker charities. Subscribe to patriotic publications. Purchase educational books. Order quantities of literature.

Blanket your town and adjacent area with literature. LEAVE IT EVERYWHERE YOU GO. Paste it on the walls of buildings and on store windows. Insert it in library books. Leave it in railway terminals at night.

Just a few people can stir up a real storm. The more active you become, the more interest you will create. Most people aren't thinking, one way or the other. You can start them thinking.

Above all, don't let anything discourage your efforts. Even if your unit is limited to just one other person, KEEP ACTIVE. WORK DAY AND NIGHT. Numbers aren't necessarily important. Victories are often built on defeats. UNITE! WORK! INFILTRATE!

You can be a part of this growing liberation movement. Put your mind to it. THEN, GET BUSY AND FIGHT!

AFTERMATH OF A SYNAGOGUE BOMBING

The Jews certainly are profiting handsomely from the October 14, 1958, Atlanta synagogue bombing. They are exploiting it for everything it is worth, as the Jews are so often inclined to do with everything.

BOMBING THEME HELPS B'NAI B'RITH RETAIN MEMBERS

The Jewish press has been abounding with articles providing observers with examples of the many ways in which Jewish leaders have used the bombing to whip Jewish stragglers into line and drum up additional funds for the Anti-Defamation League (ADL) and other Jewish race-mixing, espionage and terrorist outfits.

A typically revealing case comes from the December 26, 1958, issue of THE NATIONAL JEWISH POST AND OPINION:

"CINCINNATI, O.—B'nai B'rith has used the Atlanta synagogue bombing and resultant newspaper publicity 'to good advantage in furthering the efforts of membership and retention workers,' the B'nai B'rith district grand lodge No. 2 bulletin reported this month.

"THE BULLETIN, edited by Max Kohnop, noted that the newspaper publicity 'gave considerable information relative to background material, particularly the part that B'nai B'rith played in the apprehension of the five suspects in the bombing.'

"Reference to the bombings was made in an article describing 'the most intensive membership campaign in the history of the order.'

"THE BULLETIN added that all district 2 lodge presidents, retention chairmen and financial secretaries have received flyers 'showing reprints of newspaper publicity on the bombing, in efforts to get delinquent members to pay their dues.'

"'Quite a few lodges used this material with gratifying results,' the bulletin said."

BOMBING BRIEFS

• Christian leaders and politicians, from Eisenhower on down, in bemoaning the dynamiting of the (Atlanta) synagogue, in which no one was injured, make no reference to the 3,000 churches destroyed in Germany during the Second World War, or the 287 churches and temples destroyed by a single Hell Bomb at Hiroshima, Japan. In most cases, these churches in Germany and Japan were filled with worshippers, helpless women and children, refugees from the terror unleashed against them by Jewish politicians in the United States and Germany. —Eustace Mullins.

• The Jews have amassed contributions surpassing 250 times the amount actually needed to repair the synagogue damage. Five Atlanta patriots have been subjected to gestapo treatment by the Jewish-controlled Atlanta police and the FBI. Hundreds of patriots all across the nation have been harassed, questioned and intimidated by FBI and ADL agents. Tremendous pressure is being exerted upon members of the new Congress to enact legislation restricting Freedom of the Press and banning patriotic publications from the mail. All this and more as the result of an insignificant bombing obviously engineered in one way or another by Communist Jews.

• No rational patriot could have been responsible for the Atlanta synagogue bombing. The building is not particularly guilty of any crime. After all, convicted murderers are put to death. The pool rooms and bars where they plan their crimes are not blown up.

• Few Americans know about the agreement made by the Anti-Defamation League and the FBI in 1938, in which they agreed to have access to

each other's files; or that FBI agents, when reporting on an investigation which involves Jewish interests, send a carbon copy of their report to the ADL headquarters in New York, for which they receive \$100., a sum which is not reported on their income tax. Some FBI agents receive as much as \$600. a month extra for sending these reports to the ADL. J. Edgar Hoover's recent book, "Masters of Deceit", was largely written for him in the ADL offices in New York, for favors received. —Eustace Mullins.

○ The Atlanta police must answer why they railroaded (George) Bright's star witness to the insane asylum so that she could not testify in his behalf. —RIGHT.

BROTHERHOOD WITH THE CRUCIFIERS?

In February, the curse of Brotherhood Week will once again be upon us. Sponsored by the Jewish-inspired, financed and controlled National Conference of Christians and Jews, Brotherhood Week is promoted by the ENEMIES OF CHRIST for the sinister purpose of DUPING MILLIONS OF UNSUSPECTING AND BRAINWASHED CHRISTIANS INTO ACCEPTING INTO THEIR MIDST THE VERY HELL-INSPIRED CONSPIRATORS WHO ARE PLOTTING THE DOWNFALL AND ANNIHILATION OF CHRISTENDOM.

"Be ye not unequally yoked together with unbelievers; for what fellowship hath righteousness with unrighteousness? and what communion hath light with darkness? (II Cor. 6:14)."

"Whosoever transgresseth, and abideth not in the doctrine of Christ, HATH NOT GOD. He that abideth in the doctrine of Christ, he hath both the Father and the Son. IF THERE COME ANY UNTO YOU, AND BRING NOT THIS DOCTRINE, RECEIVE HIM NOT INTO YOUR HOUSE, NEITHER BID HIM GOD SPEED. FOR HE THAT BIDDETH HIM GOD SPEED IS A PARTAKER OF HIS EVIL DEEDS (Second Epistle of John 9-11)."

Brotherhood with the Crucifiers? What lunacy! How can we talk of Brotherhood with the killers of Jesus — the children of the devil who go into their temples of evil and curse the murdered Christ, scheme against mankind and recite hateful prayers against Christians?

How can we even consider walking side by side with members of a CRIMINAL SECT whose holy book, the Talmud, teaches that Jesus was the bastard son of the hairdresser Mary, that Jesus was much lower than an ordinary criminal, that all non-Talmudists rank as animals and may be KILLED, ENSLAVED AND CHEATED by the only "humans", the Pharisaic Talmudists, for whom the world was made to rule?

Brotherhood with fellow Christians is the only kind of Brotherhood for Christians.

Brotherhood with the Pharisees and Satanists IS THE WAY OF THE DEVIL. It is not only un-Christian, it is SUICIDE!

THE CHURCHILL STATUE

English newspapers describe the statue of Winston Churchill which will be unveiled next May in Woodford, the London suburb, as "gorilla like" and "a disgrace."

I think that the sculptor, David McFall, created a statue of Churchill as he really is. I believe that he and his junior partner, Franklin D. Roosevelt, will go down in history as grave diggers of western civilization.

It is incomprehensible to me that millions of Americans look up to Churchill as to their idol, when he is in fact a chief architect of our time of fear and desperation. —L. A. Fritsch.

"You have not begun to appreciate the real depth of our guilt. We are intruders. We are subverters. We have taken your natural world, your ideals, your destiny, and played havoc with them. We have been at the bottom not merely of the great war but of nearly all your wars, not only of the Russian but of every other major revolution in your history. We have brought discord and confusion and frustration into your personal and public life. We are still doing it. And the end is still a long way off. We still dominate you." Marcus Eli Ravage, Jew, in *Century Magazine*, January-February, 1928.

JUSTICE

Another Christmas season is behind us, and Jewish wholesalers and merchants, their pockets stuffed with cash from brainwashed Christians, are off to their Caribbean retreats. While the Browns and Smiths slave through the cold winter months to pay off their debts, the Rosenbergs and Cohens bask in the warm sunshine.

The duped Christians do all the work, but the bloated Jewish capitalists, financiers, labor union heads, news commentators, promoters, loan sharks, dope peddlers, smut purveyors, "philanthropists" and "intellectuals" rake in all the profits. And where do these profits go? Straight to the bastard state of Israel (to finance Israeli aggression), straight to Jewish terrorist organizations (to finance intimidation and persecution of Christians) and straight to Jewish fronts (to finance the undermining of Christian institutions and the Christian Church itself).

When will the Browns and Smiths wake up? When will the Rosenbergs and Cohens be brought to justice for their CRIMES AGAINST HUMANITY?

URBAN RENEWAL

By Mrs. M. Conan

If the Communist program of Urban Renewal is allowed to continue, the day is not far off when no home, church or business property will be safe.

To show you just the kind of persons who are working for the FHA, a colored woman called me on the phone last week and said the representatives of FHA were advising the Negroes to sell their homes to the government and then take the money and buy in white districts. She was indignant and said the "dirty rats are just working to make race trouble." I agreed with her. So we see what is at the bottom of all this solicitous effort on the part of the government to give "cheap rent to the underprivileged."

False reports as to conditions are given to city councils by representatives of FHA in order to get property condemned. This I know, for I went out and looked the location over where FHA intends building 164 housing units here in Phoenix. I found no slums, only plain little homes of working people.

Every loyal American should fight FHA, Public Housing, etc. with all his might. When the government owns the house you live in, it owns you. You will vote as told, do as told, or soon find yourself without shelter.

THE "METRO" FRONT

The Associated Press dispatch of August 28, 1958, announced that President Eisenhower had released one hundred million dollars for use in slum clearance and other "urban renewal projects." Congress had passed no bill authorizing such an expenditure. The money was "provided in past years but never used before."

Tie that together with this information: as soon as Miami's "Metro" government had completed the chore of staffing its Planning and Zoning Departments, the announcement was made that "Metro could get all the money it needed for urban projects" and there would no longer be any need to worry about getting permission from the State Capital, or getting public authorization of specifically-designated bond issues.

The easy way to get money from Uncle Sam (for a domestic give-away, that is; foreign aid is the easiest way of all) is to dream up some "urban renewal" plan. And priority for such give-aways goes to the "Metropolitan Area Government."

Now, one hundred million dollars is big business and it deserves a special agency to administer same. Such an agency could eliminate the State as a "middle man" and Federal could deal with the community directly; knocking out State interference; eventually making State government unnecessary. Thus could the Communist aim of putting all power in one place - Washington, D.C. - be accomplished with the local yokels happily contributing to their own destruction.

So, the newest and most dangerous scheme since the recognition of Soviet Russia in 1933, is a plan to establish a new Presidential Cabinet post to deal directly with Metropolitan areas!

Comment is hardly necessary. We'll simply quote from an Associated Press item datelined Boston, December 2, 1958:

"The growth problems of American cities are big now and they're going to get bigger, mayors and other municipal officials were told Monday at the opening of the 35th annual American Municipal Congress.

"Sen. Joseph S. Clark (D.-Pa.) told the opening meeting of the three day session that the time has come for creation of a new federal department at the cabinet level to help the cities with their massive problems."

There was one sane voice at that "1313" meeting at Boston. Rep. Fountain (D.-N.C.) questioned whether the cities are doing all that is in their power to help themselves. "It is my feeling," he said, "that at times local people ask for help in providing services which they would be unwilling to pay for themselves."

But Hugh R. Pomery, Director of the Westchester County (N.Y.) Planning Commission and past president of the American Institute of Planners, indicates that it makes little or no difference what the local people want, anyway, once the "Planners" get full control. Speaking to the Pennsylvania Planning Conference on Nov. 5, Pomery said: "It is no longer possible, in the public interest, to indulge in the wasteful, destructive luxury of leaving the proper regulation of land development to the option of local jurisdictions. . . . There is no longer room for any vacuums in the pattern of proper regulation of land development in our exploding metropolitan areas . . . the suburban communities seeking to 'go it alone' will be 'outflanked by what they seek to protect themselves against,' he warned. Suburban communities (that don't properly plan for themselves) should have mandatory planning done for them . . ."

The plan is clear: on the plea of expanding populations, inadequate roads and sewers, slums and need for urban renewal, the federal government will step in and its Planners will take control of the metropolitan areas, divorcing them from the need for either State or local control, and all governmental power will slowly but surely be transferred to and centralized in Washington, D.C.

The push for centralization is on. In the coming months the trained seals of press, radio and TV will be inventing new names, slogans, semantic syllogisms to make city dwellers believe that the hierarchy of Planners can do things for them which they cannot do as well for themselves.

Congressman Dowdy's warning should make all patriots beware of a "cabinet post to care for cities": "Communism must, as a prerequisite for success and its conquest, pull all powers of the government into one place — Washington, D.C."

AIR FORCE OFFERS \$1 MILLION FOR ARKANSAS WHITE SCHOOL

The Air Force offered to pay \$1 million for an elementary school building near its huge Little Rock base so that the six-year-old daughter of a Negro enlisted man could attend an integrated school in Arkansas, JET learned.

The school is the Little Rock Air Force Elementary Building, which is about 20 miles from the city and operated by the Pulaski County School Board. For two months Board authorities have refused to enroll six-year-old Algerita, daughter of T/Sgt. James R. Dallas.

Pentagon aides admitted that the Air Force tried to buy the building, but said that the Board turned the proposal down before any figures were mentioned. They considered the million-dollar figure "exorbitant" since the building was constructed on loans totalling about \$600,000 from government "impacted area" funds. One official said that he visited the base and discussed the matter with Board members but found them unwilling to negotiate. —JET.

WHO ARE THE REAL "HATE-MONGERS"?

THE TALMUD UNMASKED

63 books of Criminal Law

WHAT IS THE TALMUD?

The Babylonian Talmud is the Jewish holy book, used in the training of rabbis, taught in the synagogues by the rabbis and studied by the Jews from an early age until death. Without any question, the Talmud stands as the SUPREME AUTHORITY of Jewish law, philosophy and ethics, containing the unchanging moral code by which the religious and social life of the Jews has been regulated to this day. The Jews believe in the teachings of the Talmud and act in accordance with its commands.

The teachings of the Christian Bible are available to all, for it is to be found everywhere. On the other hand, only a very few non-Jews have even so much as heard of the Talmud, and still fewer know of its teachings, for it is scores of volumes in length and shrouded in secrecy by the Jews.

THE CODE OF THE JEWS

The Talmud refers to Jesus Christ as the bastard son of a harlot (*Kallab, 1b, 18b*). Jesus is blasphemed as a fool (*Schabbath, 104b*), a conjurer (*Toldoth Jeschu*), an idolater (*Sanhedrin, 103a*) and a seducer (*Sanhedrin, 107b*). The Talmud teaches that Jesus died like a beast and was buried in that "dirt heap . . . where they throw the dead bodies of dogs and asses, and where the sons of Esau (the Christians) and of Ismael (the Turks), also Jesus and Mohammed, uncircumcized and unclean like dead dogs, are buried."—*Zohar, III, 282*.

One of the basic doctrines of the Talmud is that all non-Talmudists rank as non-humans, that they are not like men, but beasts (*Kerithuth, 6b, p. 78*).

A JEW WHO KILLS A CHRISTIAN COMMITS NO SIN, BUT OFFERS AN ACCEPTABLE SACRIFICE TO GOD, RANTS THE TALMUD (*Sepher Or Israel*). "Even the best of the non-Jews should be killed."—*Abhodah Zarab, 26b, Tosephoth*.

The following quotations from and about the Talmud should be of interest to all Christians. NOTE: "GOY" means non-Jew; "GOYIM" is plural for goy.

"Jehovah Himself studies the Talmud standing, he has such respect for that book."—*Tract Mechilla*.

"Every goy who studies the Talmud and every Jew who helps him in it, ought to die."—*Sanhedrin, 59a, Abhodah Zarab 8-6*.

"To communicate anything to a goy about our religious relations would be equal to the killing of all Jews, for if the goyim knew what we teach about them they would kill us openly."—*Libbre David 37*.

"A Jew should and must make a false oath when the goyim asks if our books contain anything against them."—*Szaaloth-Utszabot, The Book of Jore Dia 17*.

"The Jews are human beings, but the nations of the world are not human beings but beasts."—*Baba Mecia 114, 6*.

"HATE-MONGERING"

Much has been said about so-called anti-Jewish "hate-mongering". While a great many self-sacrificing Christians have been smeared, persecuted and falsely branded as "hate-mongers", the masters of "hate-mongering", the TALMUDIC JEWS, have gone unchallenged.

Talk about "hate-literature"! Could there possibly be any more vicious "hate-literature" than that Jewish cesspool of filth and hatred, the Talmud? And when it comes to inciting to violence, the Talmud, with its commands to kill Christians, is unsurpassed.

We will leave it up to any impartial jury to decide. Who are the real "hate-mongers" -- the Talmudic Jews, or the Christian patriots who seek to expose them?

"When the Messiah comes every Jew will have 2800 slaves."—*Simeon Haddarsen, fol. 56-D*.

"Jehovah created the non-Jew in human form so that the Jew would not have to be served by beasts. The non-Jew is consequently an animal in human form, and condemned to serve the Jew day and night."—*Midrasch Talmioth, 225-L*.

"As soon as the King Messiah will declare himself, He will destroy Rome and make a wilderness of it. Thorns and weeds will grow in the Pope's palace. Then He will start a merciless war on non-Jews and will overpower them. He will slay them in masses, kill their kings and lay waste the whole Roman land. He will say to the Jews: 'I am the King Messiah for whom you have been waiting. Take the silver and gold from the goyim.'"—*Josiah 60, 6, Rabbi Abarbanel to Daniel 7, 13*.

"A Jew may do to a non-Jewess what he can do. He may treat her as he treats a piece of meat."—*Nadarine, 20, B; Schulchan Aruch, Choszen Hamiszpat 348*.

"A Jew may rob a goy - that is, he may cheat him in a bill, if unlikely to be perceived by him."—*Schulchan Aruch, Choszen Hamiszpat 348*.

"All property of other nations belongs to the Jewish nation, which, consequently, is entitled to seize upon it without any scruples. An orthodox Jew is not bound to observe principles of morality towards people of other tribes. He may act contrary to morality, if profitable to himself or to Jews in general."—*Schulchan Aruch, Choszen Hamiszpat 348*.

"On the house of the goy one looks as on the fold of cattle."—*Tosefta, Erubin VIII, 1*.

Is it necessary to give any more of these quotations, to show the average intelligent American citizen that these Jewish people are not to be trusted? THERE ARE THOUSANDS OF SIMILAR PASSAGES IN ALL OF THE JEWISH WRITINGS, but after reading these few, they ought to be enough to bring these questions to the mind of patriots:

How can a Jew take the oath of naturalization and become an American citizen? And, is it unjust to observe he may be valueless if not dangerous to American society?

How can a Jew legally and morally take the oath of Public Office?

How can a Jew be relied upon as a witness or an official in American Courts of Law?

How can a Jew be permitted to take the oaths and obligations of Christian American Lodges?

How can a Jew be expected to act as a worthy and ethical leaven in the capacity of publisher, editor, correspondent; theatrical and cinema producer or director; banker, statesman, congressman, or educator of American Youth?

Will you help in the distribution of this important leaflet? Order as many copies as you can and distribute them to ministers and public officials and to all your friends and relatives.

Dear Sirs:

I have just finished reading about the patriotic picketing done by your organization in front of the White House last August 16th and 17th. I am convinced that any group which has the courage to stand up and fight the insidious Jewish conspiracy deserves the support of all clear-thinking patriotic Americans.

Please send me complete information about your group. Also, please send me a sample of any publication your group might have. How does one apply for membership? Are armbands used? If so, how much are they?

I am enclosing \$0.21 postage for your reply.

COMMUNISM IS JEWISH

KHRUSHCHEV REARED BY A JEWISH FAMILY

*Do not get the
See Revised Copy*

I-A About forty years ago Jew-communist revolutionists, such as Leon Trotsky, overthrew the White Christian Government of Russia and established an absolute red Jewish dictatorship. The international Jew bankers financed the Jew-communist revolution in Russia. The Jew Jacob Schiff of the international Jew banking firm of Ruhn-Loeb and Company boasted of his part in the conspiracy.

I-B Ever since the Jews seized power in Russia, they have attempted to conceal the fact that the Jews are the real rulers of Russia - Communist Russia. For forty years they have deliberately published lying propaganda to try to persuade the whole world that the Jews in Russia have been ousted from power. Every time that they have a purge in Russia, the Jew-controlled newspapers in America claim that the Jewish leaders have been purged and that the Jews are being "persecuted" in Russia - lies. Every Jewish official in Russia becomes so old that he has to retire to live a life of luxury; the newspapers yell that he has been purged. Every time there is a so-called purge in Russia or any other communist country, the newspapers say that Jewish leaders are being purged. Don't let them fool you.

I-C Communist governments have to purge Jews when they purge themselves because they are loaded down with Jews. The next time the Communist Government of Russia purges itself, it will purge some Jews from its ranks because it is a Jewish Government, as Jewish as the Government of the illegitimate State of Israel. The next time the Israeli Government has a purge, it will also purge Jews. Who else is there to purge in Jewish Governments? The Jew-communist Government of Russia would be destroyed if the people of the world were to ever fully realize that it is Jewish. Therefore, for reasons of self-preservation, the Jewish rulers of Russia will continue to flood the world with lying propaganda that the Jews are being "persecuted" in Russia. They have to also lie to their Russian slaves the same way.

I-D Their false propaganda also helps them to send well trained Jew-communist shock troops and revolutionists to America as "refugees."

IS NIKITA KHRUSHCHEV A JEW?

When Khrushchev was a poor young turner's mate (lathe operator) in the City of Mariupol in the Ukraine, he boarded in the home of a Jewish cobbler named Yankelovits. Khrushchev owes his life to Yankelovits's wife, Chana, because on two occasions when he became sick and almost died and, both times, Chana nursed him from illness back to health.

In 1913 "The Black 100", the most Christian Anti-Jewish group in the Czar's Christian Russia, were reportedly preparing to drive the Jew-communists out of Mariupol. Khrushchev quickly organized his Jew-communist friends and dispersed "The Black 100." Khrushchev thereby proved his loyalty to Jewry and has been well rewarded ever since.

Khrushchev then rose to prominence and power because the Mariupol Jewish Community and the Jew Lazar Kaganovich financed his studies and promoted him to a high place in the red hierarchy.

Khrushchev's first love was Nadia Lazarov, the sister of Lazar Kaganovich. Lazar Kaganovich, a Jew, is the most powerful man in Russia, regardless of propaganda to the contrary. He has not been purged, even though he is old enough to retire. Khrushchev was so much in love with Nadia that he seriously thought of becoming a Jew. Mrs. Chana Yankelovits, age 72, now living in Israel, says that he changed his mind when he found out that there was no way to become a Jew unless he submitted to the Jewish rite of circumcision. Are the Jews lying when they say that he refused to become circumcised? Is that Jewish double-talk to let Jews everywhere know that he is a secret Convert to Judaism? Is that the way they conceal the fact that Khrushchev is a Convert to Judaism? According to Chana Yankelovits, he reads and speaks Yiddish perfectly.

I-E Lenin and Stalin also spoke Yiddish very well. The Jews try to fool us by saying that Khrushchev is against the Jews, but how could he be against the very people that put him in power? He was in love with Lazar Kaganovich's sister Nadia and may have married her. Joseph Stalin, now dead and in hell, married Rosa Kaganovich, another one of Lazar's sisters. They were both promoted to the top ranks of the communist hierarchy by the powerful Jewish Kaganovich family. If Khrushchev were to turn against the Jews, they would purge him and torture him to death. Communism is Jewish and always will be - Khrushchev is more proof of that. What the Jewess Chana Yankelovits says about Khrushchev was published in the "South West Messenger" of October 10th, 1957, at 739 South Hope Street, Los Angeles 11, California. Ten cents for single copies; \$1.00 per year. It is a Jewish weekly.

I-F You must remember that it is against the law to be against the Jews in Russia. It is a crime punishable by death. Also, remember that the largest Communist daily newspaper in America is not the "Daily Worker", but the Morning Freiheit which is published in the Jewish language known as Yiddish. Also, almost all communist spies are Jews, such as the two electrocuted Rosenbergs.

I-G There is a good book that every American should read which proves that Communism always has been Jewish ever since the days of Karl Marx who founded Communism and always will be. The book is "Fraudulent Conversion" and can be obtained from The Swiss-Publishing Society, 76 Vineland Road, London, W. 11, England (United Kingdom) for the following price.

COMMUNISM IS JEWISH

KHRUSHCHEV REARED BY A JEWISH FAMILY

About forty years ago Jew-communist revolutionists, such as Leon Trotsky, overthrew the White Christian Government of Russia and established an absolute red Jewish dictatorship. The international Jew bankers financed the Jew-communist revolution in Russia. The Jew Julius Schiff of the international Jew banking company firm of Kuhn-Loeb and Company boasted of his part in the conspiracy.

Ever since the Jews seized power in Russia, they have attempted to conceal the fact that the Jews are the real rulers of Communist Russia. For forty years they have deliberately published lying propaganda to persuade the whole world that the Jews in Russia have been ousted from power. Every time they have a purge in Russia, the Jew-controlled newspapers in America claim that the Jewish leaders have been purged and that the Jews are being "persecuted" in Russia - lies! Every time a Jewish official in Russia becomes so sick or so old that he has to retire to live a life of luxury, the newspapers yell that he has been purged. Every time there is a so-called purge in Russia or any other communist country, the newspapers say that Jewish rulers are being purged. Don't let them fool you.

Communist governments have to purge Jews when they purge themselves: but because they are loaded down with Jews. The next time the Communist Government of Russia purges itself, it will purge some Jews from its ranks because it is a Jewish Government, as Jewish as the government of the ~~kick~~ illegitimate State of Israel. The next time the Israeli Government has a purge, it will also purge Jews. Who else is there to purge in Jewish Governments? The Jew-communist Government of Russia would be destroyed if the ~~genuinely~~ peoples of the world were to ever fully realize that it is Jewish. Therefore, for reasons of self-preservation, the Jewish rulers of Russia will continue to flood the world with lying propaganda that the Jews are being "persecuted" in Russia. They have to also lie to their Russian slaves the same way.

Their false propaganda also helps them to send well trained Jew-communist shock troops and revolutionists to America as "refugees."

Khrushchev did not marry Nadia but he did marry another Jewess according to a statement that he made that was published in the B'nei B'Rith Messenger of May 2nd, 1958. He also said that, not only he, but Russian President Voroshilov and half the members of the ruling Politburo have Jewish wives.

PROLOGUE

Have today's corrupted Christians strayed so far from the TRUTH that we are actually ASHAMED of Jesus, dying in agony on the Cross for US? Are we EMBARRASSED because His sacrifice reminds us of WHO caused our Blessed Savior to be crucified? and why THEY committed this satanic atrocity? Are we so blind in our arrogant ignorance that we fail to see that a living Red Hell is gradually being drawn around US right here on Earth?

THE PHARISEES

Jesus Christ, speaking to the Pharisees, in the most passionate condemnation ever pronounced, said, in Matthew 23:33:

"Ye serpents, ye generation of vipers, how can ye escape the damnation of hell?"

The entire 23rd chapter of Matthew is a point-by-point exposure and scathing denunciation of the Pharisees and of Pharisaism. Similar references to the Pharisees are to be found elsewhere in the New Testament. Christ identified the Pharisees with the future anti-Christ BABYLONIAN WORLD GOVERNMENT, now rising, and the former killers of the Prophets. He called the Pharisees the children of the devil. To say the least, Christ's excommunications of Pharisaism and all that it stands for are unequalled by any phillipic in history.

MODERN DAY PHARISEES

Those who today call themselves Jews are, by their own admission, the SPIRITUAL DESCENDENTS of the Pharisees, the spiritual descendants of the crucifiers of Jesus (therefore, according to Matthew 23:15, twofold the children of hell). OF MANY RACES, some closely interbred, the Pharisees are united in a criminal, conspiratorial, anti-Christian, world Pharisaic sect.

The Universal Jewish Encyclopedia (1943) states:

"The Jewish religion as it is today traces its descent, without a break, through all the centuries, from the Pharisees."

"Pharisaism became Talmudism, Talmudism became Medieval Rabbinism, and Medieval Rabbinism became Modern Rabbinism," admits Talmudic Professor Louis Finkelstein, head of the Jewish Theological Seminary of New York and Los Angeles, in "The Pharisees", a two-volume work published in 1946 by the Jewish Publication Society of America.

The Jews concede that Pharisaism shaped the character of Judaism and the life of the Jew for all the future.

THE TALMUD UNMASKED

The Babylonian Talmud is the Jewish holy book, the written law of the Pharisees, taught in the synagogues by the rabbis and studied by the Jews from an early age until death. Without any question, the Talmud stand as the SUPREME AUTHORITY of Jewish law, philosophy and ethics, containing the unchanging code by which the religious and social life of the Jews has been regulated to this day. The Jews believe in the teachings of the Talmud and act in accordance with its commands.

The teachings of the Christian Bible are available to all, for it is to be found everywhere. On the other hand, only a very few non-Jews have even so much as heard of the Talmud, and still fewer know of its teachings, for it is scores of volumes in length and shrouded in secrecy by the Jews.

The Talmud refers to Jesus Christ as the bastard son of the harlot Mary. Jesus is blasphemed as a fool, a conjurer, an idolater and a seducer. The Talmud teaches that Jesus died like a beast and was buried in a dirt heap amidst the dead bodies of dogs and asses.

One of the basic doctrines of the Talmud is that all non-Talmudists rank as non-humans (goy, goyim), that they are to be looked upon as a fold of cattle, that they were created in human form so that the Talmudists would not have to be served by beasts.

The Talmud teaches that the world was made to be ruled by the Talmudists, that non-Talmudists may be robbed, cheated and killed.

Other aspects of the Talmud are too involved and sordid to account here, but, briefly, it can be said that it is largely a collection of obscenity, blasphemy, demonology, hatred of Christ and Christians and calls to violence against non-Talmudists.

CAN THE JEWS BE TRUSTED?

Each year, in the seclusion of their hellish synagogues, the Pharisaic Jews recite the following oath, the Kol Nidre ("All Vows") oath:

"All vows, oaths, promises, engagements and swearings, which, beginning this very day of reconciliation till the next day of reconciliation, we intend to vow, promise, swear and bind ourselves to fulfill, we repent of beforehand; let them be illegalized, acquitted, annihilated, abolished, valueless, unimportant. Our vows shall be no vows and our oaths no oaths at all."

In effect, this "rite of absolution", as one Jewish publication calls it, permits the Pharisaic Jews to lie, cheat and give false oaths from one year to another. It is quite reasonable, therefore, to ask:

How can a Jew take the oath of naturalization and become an American citizen? And, is it unjust to observe he may be valueless if not dangerous to American society?

How can a Jew be permitted to take the oaths and obligations of How can a Jew be relied upon as a witness or an official in American Courts of Law?

How can a Jew be permitted to take the oaths and obligations of Christian American Lodges?

How can a Jew be expected to act as a worthy and ethical leaven in the capacity of publisher, editor, correspondent; theatrical and cinema producer or director; banker, statesman, congressman, or educator of American Youth?

THE SUBVERSION OF CHRISTIANITY

As the result of many long years of insidious infiltration, the Jews have, to varying degrees, gained control of nearly every denomination of Christianity. The teachings of Jesus have been subverted and diluted. Our religious schools, under Jew-ized leadership, have been turning out an alarming number of brainwashed disciples of alien and satanic ideologies.

We are reminded of the words of Bernard Lazare, a Jew, in his book "Anti-Semitism":

"The Jew is not satisfied with de-Christianizing, he Judaizes, he destroys the Catholic or Protestant Faith, he provokes indifference, but he imposes his idea of the world, of morals and of life upon those whose faith he ruins; he works at his age-old task, THE ANNIHILATION OF THE RELIGION OF CHRIST."

Our fellow Christians have been betrayed by those who should be arming them with the Protective Word of Jesus. Christian ignorance of fundamental and basic Christian principles is the main weapon in the Jewish arsenal.

That today's great infiltration into Christianity by the Pharisaic ensnarers has reached an advanced stage SHOULD be self-evident to all who have eyes with which to see. THE REVISED STANDARD VERSION OF THE BIBLE is a Pharisaic alteration of Christian Scriptures "for partisan purposes", a victory about which the anti-Christ bragged esoterically in the NATIONAL JEWISH POST, Feb. 22, 1957, page 13. The National Conference of Christians and Jews is nothing more than a one-sided feast of the Lion of Judah upon the Lamb of Christ!

That the ensnarement of the clergy of the Christian Churches is a vital objective of the American Jewish Committee is expounded in their secret annual budget reports, copies of two years of which have been captured by soldiers of Christ. We quote from their 1953 BUDGET:

"CHRISTIAN religious education, a subject OF MAJOR CONCERN to the American JEWISH Committee within the past few years, has likewise enjoyed a phenomenal development.

"As the church gains strength, new responsibilities obviously devolve upon OUR (Interreligious Activities) Division if WE are to help influence the attitudes of Americans through their church experience. The religious school, which now embraces a substantial segment of American youth, bears even more careful examination than in the past. As a result of our closer associations with religious educators, we are in a better position to encourage them to assume greater responsibility, both for eliminating prejudicial material and for making constructive intergroup (inter-racial!) education a part of their programs.

"OUR (!) Christian educators have come to regard OUR agency as having special competency in intergroup education and have no hesitation in calling upon us for counsel.

"The Production and Magazine Division (of the AJC) frequently supply us with materials for use in Protestant and Catholic press; stories and illustrations for curricular materials, etc. (OUR SUNDAY SCHOOL LESSONS!!!)

"The Radio and Television Division (of the AJC) furnishes guidance in religious programs and alerts us to objectionable material used by these media in programs having religious content, particularly during Christmas and Easter.

"The Legal and Investigative Department from time to time furnishes us with information sought by church groups, particularly those confronted with the problem of reactionary opposition to social action programs (COMMUNISM!).

"Our primary resource group within Protestantism is the National Council of Churches of Christ's two major divisions — Christian Life and Work; and the Division of Christian Education.

"Our primary Catholic contact is with the National Catholic Welfare Conference, particularly the departments of Education and Press. We also work with the National Catholic Biblical Association, Catholic University of America, other Catholic universities, and individual chanceries.

"Other resources include the World Council of Churches, State and City Church Councils and Ministerial Associations, the Religious Education Association, the Catholic and Protestant press, the Protestant Film and Radio Commission, National Council of Christians and Jews.

"We are concerned, therefore, not only with what is taught in Christian education, but with the attitudes of the educator who trains the teacher, and of the teachers themselves. The environment surrounding the learning process also concerns us.

"Thus, what WE are concerned with is not simply CHANGING what is said about Jews and Judaism in the literature of Christian education, but INTRODUCING A NEW and positive view of Jews and Judaism into the dynamics of Christian education. Our approach seeks to take advantage of the group life fostered by church organizations.

"Meetings with top Protestant leadership have now been established on a REGULAR basis. The SUCCESS of our meetings with Protestant leaders on a national level points to the desirability of extending this effort locally."

THE PHARISAIC CONSPIRACY

For hundreds of years the Pharisaic Jews have been conspiring to gain WORLD DOMINATION. They are dangerously close to realizing this objective.

The Jews control the financial and economic life of the world.

The Jews control all forms of public information: radio, TV, newspapers, cinema, etc.

The Jews are behind race-mixing.

The Jews are using the United Nations as a tool to break down National Sovereignty.

The Jews are at the very root of all troubles, all perturbations, all conflicts of the Modern World.

CONCLUSION

The mask of Jewish SHAM DECENCY must be removed. The myths and lies surrounding the Jews must be dispelled. Only when the people know who the Jews are and what they really stand for can we begin to effectively combat the Pharisaic Conspiracy and rid ourselves of the PHARISAIC PESTS.

Remember the words of Our Lord Jesus when he said to the agents and dupes of the Conspiracy, "And because I tell YOU the truth, ye believe me not." John 8:45. The agents of the anti-Christ will "piously" denounce as un-Christian (!) this undeniable documentation of their evil chicanery. Should your minister or priest remove these vital words of TRUTH from your church, you will KNOW whom he serves! Any man who seeks to suppress this word HATES the TRUTH!

CBS Offers Bribes To Youthful Hate Merchants To Hold Rally For The CBS-Television Cameras

Copyright 1960 By Expose, Inc.

Following in the wake of the television quiz scandals, members of the staff at CBS this month were attempting rigged bigotry.

The 'fix' included the payment of substantial sums of money to young race-baters if they would attend a meeting and shout angry slogans about Jews and Negroes.

The hate-group was near-broke and didn't have money to hire a hall. Nor did it have a very eager membership. CBS-TV would fix that. It would open its purse strings to pay for the hall. It would pay the members who attended "small" sums like \$10 each."

(The grotesque plan was reminiscent of the workings of the Anti-Defamation League. The latter organization was exposed in this paper in June, 1952, where the charge was documented that ADL agents actually help hate merchants stay in business by providing them with funds and free labor.

(Not too surprising was the revelation by the group connected with the CBS program that its staff had met with the Anti-Defamation League and had been guided by them in its plans.)

Minorities

The CBS-Television program was to be called "Minorities U.S.A." and was to have been presented in late March or early April on a Sunday afternoon.

(The term "was" is used because a CBS spokesman asked *The Independent* not to run this story because it might "discourage" the hate-groups from participating.)

The rigged bigotry show has been in the planning stages for many months.

In November, William Weston of CBS approached Gerald L. K. Smith to tell him CBS wanted to interview him before the tele-

vision camera for a couple of hours.

Smith, naturally suspicious of the offer, asked that Bill Stout act as intermediary. Stout is a tough, objective commentator on the CBS affiliate in Los Angeles who has pulled no punches in attacking Smith. However, he is known as an honest man who would not knowingly engage in deceptions. Stout agreed.

"Get It In Writing"

Stout probed the program plans and then advised Smith that he would do well to get assurances in writing about the manner in which he would be presented, and also that he would be quoted accurately.

As the full format of the program came to light, Smith bowed out. He told *The Independent* this week: "They would have sandwiched me in with some borderline personalities who would be encouraged to make extreme remarks. Then they'd run pictures of the Nazi coke ovens."

Meanwhile, the CBS staff had been trying to line up such old standbys as Lincoln Rockwell and Conde McGinley. McGinley was told that he would be interviewed for two hours "for tele-

Smith: He Declined

vision." He wasn't told that from this two hours, CBS would extract the worst-sounding three minutes and that would be all of him and his crackpot views to be shown on its program.

On the contrary, McGinley was assured by William Peters that CBS wanted to give him an opportunity to broadcast his ideas and "he would not be interrupted or interfered with."

(Peters is a writer whose articles have been published in many magazines. In March, 1959, his *How To Fight Hate Merchants* appeared in *Coronet*.)

Meanwhile, in Louisville, Kentucky, Dr. Edward R. Fields, the Information Director of the National States' Rights Party was interviewed and paid \$75.

Hadn't Planned Rally

CBS then approached Fields to hold a rally. He protested that he hadn't planned any rallies, couldn't afford one, and doubted

(Continued on page 3)

that he could whip together much attendance.

In a telephone conversation with *The Independent*, Peters denied offering payment of any kind to any of the hate groups. *The Independent* had him repeat this denial, and then read to him from a letter on CBS stationery, signed by Peters, and addressed to Fields.

In the letter he explained: "... we cannot, as a network, in any way sponsor this meeting ..." and then went on to say, "In the event that we need help in setting up our television equipment at the hall and some members of your party can be of assistance, we will, of course, be glad to pay them for their services."

After a period of telephone quiet, followed by some stam-

meeting, Peters said: "But we were only going to pay them ten dollars each!"

Fields told *The Independent*: "They told me over the phone that they could 'pay us off' if we would hold a meeting by giving us large sums of money to help them set up T.V. equipment (say \$200 for helping screw in a light bulb!) — is this not a violation of their Union contract?"

Fields withdrew and cancelled the phony meeting when he learned that a fellow hate merchant had been offered \$950 for an interview as against the \$75 he received. It was an affront to his ego.

RIGGED BIGOTRY

(Continued from page 1)

The \$950 was offered to F. Allen Mann, editor of the *Christian Patriot's Crusade*.

(CBS producer William Weston admitted to *The Independent* that this sum had been offered to Mann.)

Mann worked in a Kinney

Shoe Store in Hinsdale, Illinois. The CBS people checked in to the Palmer House in Chicago and made arrangements with Mann for the interview for which he'd receive the \$950.

Mann learned through someone at the Palmer House that the CBS officials had spent four hours conferring with Anti-Defamation League officials.

He said he would not give the interview.

At this point, CBS officials seemed determined to cost Mann his job. ("We were angry," William Peters told *The Independent*.) They took four television cameras into the store where Mann was assistant manager. They created a turmoil and were ejected by the manager. They threatened to give the Kinney shoe chain "lots of bad publicity" and Mann was fired.

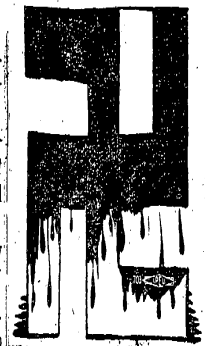

By late January, the word had gotten around that the CBS program was designed to "lead the boys to the slaughter" and the warning was out to "keep off the CBS grass."

The experiment in rigged bigotry appeared doomed. The nationalist hate peddlers had concluded, with some justification, that CBS was awfully anxious to magnify the import of the hatesters.

As one veteran pointed out: "The program would come as the climax of the Anti-Defamation League's multi-million dollar fund-raising campaign. This would be the fear-spreading top-her. It would follow the series of well-publicized swastikas painted on synagogues."

(In all of Hitler's heyday, from 1933 to 1945, with Fritz

Kuhn and the German-American Bund on the loose, there were not as many swastika paintings as there were this year in the

single week when the story appeared in papers in a surprisingly well coordinated worldwide report.)

The ADL fund-raisers could say to the Jewish businessmen whom they suckered into contributions: "Did you see those monster? Did you see that rally on television? Do you know what those people would do to you if it weren't for us? Give. Give until it hurts. Give big."

After the searching investigation of rigged quiz shows, CBS apparently hadn't learned its lesson. Fakery, quackery and deliberate deception would continue to be part of the modus operandi, as evidenced by the try at rigged bigotry.

CBS-Peters conspiracy comes to us from a rather unusual source. As one can quite easily ascertain by reading the photostat on this page, Lyle Stuart, Editor of *THE INDEPENDENT* (225 LaFayette St., New York 12), is no friend of Nationalists. Nonetheless, he is, apparently, an opponent of the Anti-Defamation League (ADL), the Jewish secret police and terrorist outfit. Although Mr. Stuart ignores many of the motives behind the Plan, his article is of utmost importance and significance. It ought to be widely circulated, especially to congressmen and state and local officials.

(2) associate the Nationalist Movement with violence, swastikas, gas chambers and Nazism.

Another phase of this Jewish Plan involves professional smear artist William Peters, as contemptable a Pharisaic stooge as ever sold his soul to hell.

Peters is a cunning, ruthless and sinister master of fraud and deception. His part in the ADL-CBS entrapment scheme has been exposed in a number of Nationalist publications, including Issue No. 336 of *COMMON SENSE* (Union, N.J.) and Issue No. 53 of *RIGHT* (P.O. Box 180, San Francisco 1).

Christ identified the Pharisees with the future anti-Christ BABYLONIAN WORLD GOVERNMENT, now rising, and the former killers of the Prophets. He called the Pharisees the children of the devil. To say the least, Christ's excommunications of Pharisaism and all that it stands for are unequalled by any philippic in history.

MODERN DAY PHARISEES

Those who today call themselves Jews are, by their own admission, the SPIRITUAL DESCENDENTS of the Pharisees, the spiritual descendants of the crucifiers of Jesus (therefore, according to Matthew 23:15, twofold the children of hell). OF MANY RACES, some closely interbred, the Pharisees are united in a criminal, conspiratorial, anti-Christian, world Pharisaic sect.

The Universal Jewish Encyclopedia (1943) states:

"The Jewish religion as it is today traces its descent, without a break, through all the centuries, from the Pharisees."

"Pharisaism became Talmudism, Talmudism became Medieval Rabbinism, and Medieval Rabbinism became Modern Rabbinism," admits Talmudic Professor Louis Finkelstein, head of the Jewish Theological Seminary of New York and Los Angeles, in "The Pharisees", a two-volume work published in 1946 by the Jewish Publication Society of America.

The Jews concede that Pharisaism shaped the character of Judaism and the life of the Jew for all the future.

THE TALMUD UNMASKED

The Babylonian Talmud is the Jewish holy book, the written law of the Pharisees, taught in the synagogues by the rabbis and studied by the Jews from an early age until death. Without any question, the Talmud stand as the SUPREME AUTHORITY of Jewish law, philosophy and ethics, containing the unchanging code by which the religious and social life of the Jews has been regulated to this day. The Jews believe in the teachings of the Talmud and act in accordance with its commands.

The teachings of the Christian Bible are available to all, for it is to be found everywhere. On the other hand, only a very few non-Jews have even so much as heard of the Talmud, and still fewer know of its teachings, for it is scores of volumes in length and shrouded in secrecy by the Jews.

The Talmud refers to Jesus Christ as the bastard son of the harlot Mary. Jesus is blasphemed as a fool, a conjurer, an idolater and a seducer. The Talmud teaches that Jesus died like a beast and was buried in a dirt heap amidst the dead bodies of dogs and asses.

One of the basic doctrines of the Talmud is that all non-Talmudists rank as non-humans (goy, goyim), that they are to be looked upon as a fold of cattle, that they were created in human form so that the Talmudists would not have to be served by beasts.

The Talmud teaches that the world was made to be ruled by the Talmudists, that non-Talmudists may be robbed, cheated and killed.

Other aspects of the Talmud are too involved and sordid to account here, but, briefly, it can be said that it is largely a collection of obscenity, blasphemy, demonology, hatred of Christ and Christians and calls to violence against non-Talmudists.

CAN THE JEWS BE TRUSTED?

Each year, in the seclusion of their hellish synagogues, the Pharisaic Jews recite the following oath, the Kol Nidre ("All Vows") oath:

"All vows, oaths, promises, engagements and swearings, which, beginning this very day of reconciliation till the next day of reconciliation, we intend to vow, promise, swear and bind ourselves to fulfill, we repent of beforehand; let them be illegalized, acquitted, annihilated, abolished, valueless, unimportant. Our vows shall be no vows and our oaths no oaths at all."

In effect, this "rite of absolution", as one Jewish publication calls it, permits the Pharisaic Jews to lie, cheat and give false oaths from one year to another. It is quite reasonable, therefore, to ask:

How can a Jew take the oath of naturalization and become an American citizen? And, is it unjust to observe he may be valueless if not dangerous to American society?

How can a Jew be permitted to take the oaths and obligations of How can a Jew be relied upon as a witness or an official in American Courts of Law?

How can a Jew be permitted to take the oaths and obligations of Christian American Lodges?

How can a Jew be expected to act as a worthy and ethical leaven in the capacity of publisher, editor, correspondent; theatrical and cinema producer or director; banker, statesman, congressman, or educator of American Youth?

THE SUBVERSION OF CHRISTIANITY

As the result of many long years of insidious infiltration, the Jews have, to varying degrees, gained control of nearly every denomination of Christianity. The teachings of Jesus have been subverted and diluted. Our religious schools, under Jew-ized leadership, have been turning out an alarming number of brainwashed disciples of alien and satanic ideologies.

We are reminded of the words of Bernard Lazare, a Jew, in his book "Anti-Semitism":

"The Jew is not satisfied with de-Christianizing, he Judaizes, he destroys the Catholic or Protestant Faith, he provokes indifference, but he imposes his idea of the world, of morals and of life upon those whose faith he ruins; he works at his age-old task, THE ANNIHILATION OF THE RELIGION OF CHRIST."

Our fellow Christians have been betrayed by those who should be arming them with the Protective Word of Jesus. Christian ignorance of fundamental and basic Christian principles is the main weapon in the Jewish arsenal.

That today's great infiltration into Christianity by the Pharisaic ensnarers has reached an advanced stage SHOULD be self-evident to all who have eyes with which to see. THE REVISED STANDARD VERSION OF THE BIBLE is a Pharisaic alteration of Christian Scriptures "for partisan purposes", a victory about which the anti-Christ bragged esoterically in the NATIONAL JEWISH POST, Feb. 22, 1957, page 13. The National Conference of Christians and Jews is nothing more than a one-sided feast of the Lion of Judah upon the Lamb of Christ!

That the ensnarement of the clergy of the Christian Churches is a vital objective of the American Jewish Committee is expounded in their secret annual budget reports, copies of two years of which have been captured by soldiers of Christ. We quote from their 1953 BUDGET:

"CHRISTIAN religious education, a subject OF MAJOR CONCERN to the American JEWISH Committee within the past few years, has likewise enjoyed a phenomenal development.

"As the church gains strength, new responsibilities obviously devolve upon OUR (Interreligious Activities) Division if WE are to help influence the attitudes of Americans through their church experience. The religious school, which now embraces a substantial segment of American youth, bears even more careful examination than in the past. As a result of our closer associations with religious educators, we are in a better position to encourage them to assume greater responsibility, both for eliminating prejudicial material and for making constructive intergroup (inter-racial!) education a part of their programs.

"OUR (!) Christian educators have come to regard OUR agency as having special competency in intergroup education and have no hesitation in calling upon us for counsel.

"The Production and Magazine Division (of the AJC) frequently supply us with materials for use in Protestant and Catholic press; stories and illustrations for curricular materials, etc. (OUR SUNDAY SCHOOL LESSONS!!!)

"The Radio and Television Division (of the AJC) furnishes guidance in religious programs and alerts us to objectionable material used by these media in programs having religious content, particularly during Christmas and Easter.

"The Legal and Investigative Department from time to time furnishes us with information sought by church groups, particularly those confronted with the problem of reactionary opposition to social action programs (COMMUNISM!).

"Our primary resource group within Protestantism is the National Council of Churches of Christ's two major divisions — Christian Life and Work; and the Division of Christian Education.

"Our primary Catholic contact is with the National Catholic Welfare Conference, particularly the departments of Education and Press. We also work with the National Catholic Biblical Association, Catholic University of America, other Catholic universities, and individual chanceries.

"Other resources include the World Council of Churches, State and City Church Councils and Ministerial Associations, the Religious Education Association, the Catholic and Protestant press, the Protestant Film and Radio Commission, National Council of Christians and Jews.

"We are concerned, therefore, not only with what is taught in Christian education, but with the attitudes of the educator who trains the teacher, and of the teachers themselves. The environment surrounding the learning process also concerns us.

"Thus, what WE are concerned with is not simply CHANGING what is said about Jews and Judaism in the literature of Christian education, but INTRODUCING A NEW and positive view of Jews and Judaism into the dynamics of Christian education. Our approach seeks to take advantage of the group life fostered by church organizations.

"Meetings with top Protestant leadership have now been established on a REGULAR basis. The SUCCESS of our meetings with Protestant leaders on a national level points to the desirability of extending this effort locally."

THE PHARISAIC CONSPIRACY

For hundreds of years the Pharisaic Jews have been conspiring to gain WORLD DOMINATION. They are dangerously close to realizing this objective.

The Jews control the financial and economic life of the world.

The Jews control all forms of public information: radio, TV, newspapers, cinema, etc.

The Jews are behind race-mixing.

The Jews are using the United Nations as a tool to break down National Sovereignty.

The Jews are at the very root of all troubles, all perturbations, all conflicts of the Modern World.

CONCLUSION

The mask of Jewish SHAM DECENCY must be removed. The myths and lies surrounding the Jews must be dispelled. Only when the people know who the Jews are and what they really stand for can we begin to effectively combat the Pharisaic Conspiracy and rid ourselves of the PHARISAIC PESTS.

Remember the words of Our Lord Jesus when he said to the agents and dupes of the Conspiracy, "And because I tell YOU the truth, ye believe me not." John 8:45. The agents of the anti-Christ will "piously" denounce as un-Christian (!) this undeniable documentation of their evil chicanery. Should your minister or priest remove these vital words of TRUTH from your church, you will KNOW whom he serves! Any man who seeks to suppress this word HATES the TRUTH!

Herman Wouk's 'This Is My God'

The Talmud: Heart's Blood of Jewish Faith

This is the fifteenth installment of Herman Wouk's "This Is My God."

By Herman Wouk

Unlike the Bible, which is part of the culture of the world, the Talmud is a sealed book, except to those who start studying it early in their lives, and grow old over the volumes.

Translations exist. The Soncino edition in English, a great recent feat of scholarship, has become a useful tool to halting American students. But let the uninitiated reader open any one of the thirty-five thick Soncino tomes. With the best will in the world, he will despair after a chapter or two. It is too compressed, too strange, too runic, too abrupt, too zigzag. It is a thousand years younger than most of the Bible. It seems at first glance aeons older.

I had had a Hebrew schooling which, for my time and place—New York City, early 1920's—was better than average. I could read and translate fairly well the narrative stretches of the Old Testament. My prayers were fluent. My bar-mitzvah had been a major spectacle, and I had turned in a star performance. I considered my religious learning done.

Grandfather Says 'to Work'

My grandfather had not been in America a week—he was staying in our apartment, of course—when he came to me carrying a vast brown book. "Za rabotu," he said. He sat me down at a table before the book and stood over me as he opened it. I stared in stupefaction at the massive columns of meaningless consonants. "Read," said my grandfather.

I have just taken down from my shelves the very volume from the old set and opened it to the very page. Thirty years have passed since I broke my brain over this column. I can read it now without much difficulty; but getting through a page of Talmud is still not easy for me, and never will be. I do not believe it is ever really easy for anybody.

When my grandfather said "Za rabotu," he meant it. They are the Russian words for "To work!" He started me—and I have since gathered that it is a favored starting place for budding Talmudists—on one of the most abstruse passages in the whole Talmud, the duel between Rava and Abayi over a question of proprietorship in a found object. The Talmud, with its usual curtness, poses the whole problem in three words. It must have taken my grandfather a week just to explain to me what the three words implied.

Mishna and Gemara Compendiums of Law

The Talmud is not one book, but two books run together. They are the *Mishna* and the

Gemara, a pair of very old classics of Jewish law, some three hundred years apart in time. Both books have authors, in the sense that we know who wrote them. But neither one is an original work. Both are compendiums of law.

The *Mishna* is a report of the legal decisions of a line of analysts and judges, the *Tanna'im*, or Teachers, stretching over some four hundred years. The *Tanna* period falls in two centuries before and two after the start of the Christian era. Rabbi Judah the Prince, a wealthy sage of Palestine, compiled the *Mishna* (the Review) about the year 200.

While the *Mishna* purports to be nothing but jurisprudence, it is much more. With a sentence or a phrase, it can magically bring to life a scene in the Second Temple, a festival night in the streets of Jerusalem, the manners, the morals, the philosophy, the costumes of people dead two thousand years.

How the Talmud Took Form

Through several more centuries a second great line of sages, the *Amora'im*, or Commenters, explored Rabbi Judah's work, debating it line by line within academies, and between national settlements. That is how the Talmud came to take its present form. We have four or five sentences of *Mishna*, laying down the law. Then follows perhaps a page, perhaps

twenty pages, of close legal analysis, in Hebrew and Aramaic, which can branch off into tales, poems, prayers, history, reminiscence, science, or table talk. This is the *Gemara*, the Completion.

The discussions of the *Amora'im* snowballed, adding to the memory burden each decade. Toward the end, the task must have become about like memorizing the Encyclopedia Britannica. At this time the Roman world was breaking up. The continuity of Jewish communications, and therefore the life of the whole nation—in exile, was in peril. Rav Ashi and Ravina, two of the last Commenters, broke with a firm tradition of keeping the Talmud an unwritten body of learning. They recorded everything they remembered of centuries of Jewish debate on the Old Testament and on the *Mishna*. So they created the Talmud which fourteen cen-

tures later—thirty years ago—my grandfather sat me down to start learning.

Like Transcribed Shorthand Notes

More than anything else, the Talmud reads like transcribed shorthand notes. Debates, conversations, monologues follow each other, racy, pithy, stripped to essentials, worded in strong rhythms that linger naturally in the mind. The form is dramatic; that is, the *Gemara* is all in dialogue.

The talk always starts with the strip of *Mishna* in hand. But it does not necessarily stay there. A phrase, a word, an idea in the *Mishna* will start a new subject, and that subject can engross the Talmud—and all its train of commentators across the centuries—for the next half dozen pages.

The Talmud is to this day the circulating heart's blood of the

Jewish religion. Whatever laws, customs, or ceremonies we observe—whether we are orthodox, Conservative, Reform, or merely spasmodic sentimentalists—we follow the Talmud. It is our common law.

(From: THIS IS MY GOD, by Herman Wouk. Copyright 1955 by the Abe Wouk Foundation, Inc. Published by Doubleday & Co., Inc.)

(Another installment will appear tomorrow.)

The above photographic reproduction from the NEW YORK HERALD TRIBUNE serves as further proof that the Talmud is not a mere relic from the dark ages of Jewish history, that it is, unquestionably, THE HEART'S BLOOD OF THE JEWISH FAITH.

After reading portions of the Talmud, many people cannot believe that even the Jews could follow such foul, vile, filthy, rotten teachings. But now, even the sceptic must start awakening to the TRUTH.

SAVE THE WHITE RACE

**The Hell-inspired Jews seek
to destroy the White Race**

THE RESULT OF RACE-MIXING

The Jews are behind race-mixing and mongrelization. The trouble-making NAACP IS NOT really a Negro organization; it is under the domination and control of foulmouthed, death-breathing JEWS. Jesus Christ exposed the Jews in all their naked infamy AND THEY MURDERED HIM. Now the Jews seek to enslave Christendom and destroy the white race because they hate all Christians and because the pure white race is the pipeline of Christianity.

Christian Patriots Crusade - F. Allen Mann - January 22 meeting

Approximately 40 people attended a meeting here in Chicago Friday night sponsored by Allen Mann. Included were such notables as Eustace Mullins, Paul Anderson, Max Nelson, Elizabeth Pilling, Violet Lloyd, Leona Scannell, George Kasalko, Charles Anderson and wife, Catherine Lorwy, Joe Beaucharnais, etc.

On his announcing post card (copy of which will follow shortly) Mann listed Mayor Egan of Aurora as the attraction of the evening along with a promised analysis of the current swastika situation.

The analysis proved to be far more interesting than the Mayor. He didn't seem to know what he was doing in the midst of this blatantly anti-Semitic affair.

According to Mann, the swastika incidents can be understood categorically as follows:

1. The majority of the cases, he assured us, were caused by hooligans and hoodlums who are acting out imitative behavior in an effort to feel big and important (sounds familiar!).
2. The next category made up of a much smaller number includes the actions of what Mann calls "well meaning people" who apparently are expressing sincere grievances and hostility against the "Communist-Jewish conspiracy" by painting swastikas on walls. Mann feels that these people, a very small number, probably have falsely concluded that this is an organized movement and are doing their part by joining in. Now Mann feels that painting swastikas, as such, is not such a terrible deed although he dislikes its association to that dead movement of Nazism, but urges all such well meaning people not to commit such actions at this time because it is not "good for the movement."
3. The smallest proportion of such acts, according to Mann, have been committed by the Jews themselves. (Contrary to the analysis of some anti-Semites who feel that the majority of acts is committed by the Jews themselves.)

A more detailed account of Mann's address will be available to us from our very reliable source in the near future and will be forwarded to you then.

Concerning such statements in the press which indicated that there was a world-wide, organized anti-Semitic conspiracy, the headquarters of which are allegedly in Sweden, Mann states: "If that is so, how come we've never heard from them how come they've never sent us any money.....after all, we don't like Jews...."

Mann feels certain that these incidents are the great publicity given to them are indeed all a part of a well-laid plan of the Jews and that the swastika and represents but a small beginning of what is to come in the future. He indicated that we might even expect some burnings in the future, adding quickly, "If course, the buildings will be heavily insured and the portion damaged scheduled for remodeling anyway." Part of this alleged plot is revealed in the GSS planned program on the hate-mongers now in preparation. Mann gave an extensive analysis of the plot scheme for exposing people such as Mann and their good friends. Detailing his personal experience with the outfit, revealing that Ed Fields had been "sucked in" but would retaliate, and that Rockwell had sold out.

According to Fields, Rockwell who used to receive support from Arrowsmith is now being financed by the Jews while parading around in uniforms with swastikas, getting himself in the press and on radio and television and, in total, serving well the purposes of ABL. These purposes are, in fact, the essence of the plot which is now unfolding beginning with the swastika incidents. Mann outlined the attempts that would be made to re-create in the American mind the image of the Nazi German atrocities as they envisioned them, attempting all the while to identify "sincere American nationalists who happen to be against the Jew" with this Nazi image. Rockwell and his American Nazi party naturally fit perfectly into the picture. Mann conjectures that possibly the ABL has been able to blackmail Rockwell with the fact that he has two wives and two entirely different sets of children, one family in Iceland, one family in the U. S.

Evidence to this plot was given by announcing the "coincidental" appearance of the "Has Germany forgotten Anne Frank?" story which is presently appearing in the Coronet magazine (which is "coincidentally" run by Jews) but which must have been in the press even before the swastika incidents.

Mann asserts that from his careful reading of the Jewish press, such anti-Jewish sentiments are expressed throughout the world all the time but that the Jews have chosen this particular moment to publicize it, and then giving it such publicity have caused this flood of imitative behavior.

Again, more details will follow later.

Of note was Mann's announcement that this was to be but the first of a series of expected meetings he would hold here in Chicago. He announced that in April, Admiral Crowsell and General Grant III would be on the platform at such a meeting at the LaSalle Hotel. He also alluded ~~that~~ to the fact that he had gotten promises from a number of other prominent to speak on such platforms. He outlined his proposed attempts to form a core group in Chicago through a plan for weekly get-togethers to mail out literature. He also indicated that this core group in the area would be necessary because there is to be a national meeting of Nationalists here in Chicago some time this spring. (I'm not sure if this is one and the same meeting as the April meeting at the LaSalle.)

Fact-finding information of considerable interest, but yet to be checked out, thoroughly, includes the fact that we might have some sort of organized youth group in the area. William Seathery (spelling?) who is 16 years old and already apparently quite active in this group, claims to have organized such a youth group. He often hangs out at Mrs. Van Hynings' office and has apparently recently taken a trip to Washington with Eustace Mallins. In telling of this trip, William kidded about how he scared "Fastless" Mallins with his gun! Also overheard were his claims to own Hitler records.

Two other teenagers in attendance have been also attending McAllister's meetings here in the city, but I only have their first names, Chuck and Ken. More about them later as we collect the facts.

I noted that Ind 5716 had established good contact with F. Allen Mann so I avoided his immediate cliques and leave such recording to him.

This is but a brief preliminary report. More will follow as I gather together the material.

F. Allen Mann - Christian Patriots Crusade meeting, Chicago, Jan. 22, 1960

Here facts on the subject meetings:

Attached is a copy of the post card sent out by Mann to his mailing list, which alludes to a "plan for SEIZURE against the enemy". He also requested people to bring 31/8-4 stamps and their address books to the meeting. As may have been gathered, Mann's plan was one of mass mailing of literature. He outlined most elaborately his program which promised to reach a vast American audience with hate literature, utilizing simply the effort of 100 people in Chicago, who would be willing to donate \$2.50 a week and some time. His calculations indicated that over 125,000 people could be reached in the course of a year through this plan. Included in this plan was Mann's intention to hold meetings such as this on a regular basis. At this first meeting, literature was provided to the patriots at \$1.00 a bundle, with envelopes bearing the return address of the American Mercury. Nearly everyone in the audience purchased a stack, promising to mail them out as soon as possible. Included in this sampling of literature were the following:

EXPOSING THE ENEMY, a new piece by F. Allen Mann.

The Talmud: Heart's Blood of Jewish Faith, a brand new piece by Mann, which reproduces an article from the New York Herald Tribune, by Herman Kueck, meant to serve as proof that the vile, filthy Talmud is not a mere relic from the past, but is indeed the heart's blood of the Jewish faith.

Many reprints of American Mercury articles which were apparently provided to this group without charge.

Stop Jewish Barbarism - an old protest piece against Koeber slaughtering, distributed by Pioneer News Service, P.O. Box 435, Chicago 90, Ill.

Attached are copies of the above.

Available at an additional charge of 25¢, was a packet of material in a plain brown envelope, which included reprints of articles by the Patriots: You and Your Children; The Joy Ride to Slavery; The Plan Behind Communism; Who is Our Real Enemy; Which Race Threatens Us, etc. In addition to these articles, there were 14 cartoons, extremely anti-Semitic in character. Completing the bundle was a publicity piece by the Time for Truth Press, Inc., called "For Those Who Seek the Truth"; an article called "Shedding the Blood of Christians" by "A Soldier of the Cross"; and a piece called "A Message from the High Cabala" by designated "Secret".

Mann spent a lot of time exposing a Frank Peters of CBS and the upcoming program on hatemongers. He said that he had been offered money, that is bribed, to appear on the program, and although he had refused, they hounded him and went so far as to bring TV equipment down to the place where he worked, causing such a commotion that Mann lost his job. He assured all that this really didn't make any difference to him, in that he has something new coming up anyway (he didn't say what).

As can be seen from the attached program, Mr. S. A. Davis was scheduled as a speaker, but didn't show up, and no announcement was made concerning him. This accounts, no doubt, for the one old Negro woman who was in the audience.

The victims of prolonged attack by Mann included columnists Jack Mabley and Tony Weissel. The audience seemed aware that a reporter from the Daily News was among them and indeed there was. Attached is the Daily News account of the evening.

Included in those still unidentified were two middle-aged, short, dark, rather stocky men, accused by all to be Jewish spies. I assume that the reference in Mabley's article to "two Zionist spies" referred to these two, rather than yours truly.

Our promised detailed report from our very reliable source is still promised, but not yet compiled. It will follow.

Nothing more for now. Regards.

UNMASK AND FIGHT THE REAL ENEMY

TWO JEW SPIES SENTENCED, ANOTHER INDICTED

August was a big month for the Justice Department, and it should have been an eye-opening month for millions of Americans everywhere.

On August 8, Rudolph Ivanovich Abel, Jew, top Russian spy, was arrested and later indicted for heading a Russian spy ring. Abel was labeled by the government as the "most important spy ever arrested in the United States."

And on August 9, Jacob Albam, Jew, and Myra Soble, Jew, were sentenced to 5½ years in prison for spying for the Soviet Union. Mrs. Soble's husband, Jack, Jew, who also was convicted for spying, was ordered to appear in court on September 18 to be sentenced. The Soble-Albam spy ring was referred to by newsmen last January 25 when it was smashed as the "biggest since the days of the Rosenbergs (Jews)."

THE REVERE has said this before and it can't be repeated too often. COMMUNISM IS A JEWISH PLOT FOR ENSLAVING THE PEOPLES OF THE WORLD AND DESTROYING THE WHITE RACE. WHEN ARE THE AMERICAN PEOPLE GOING TO WAKE UP TO THE FACT THAT COMMUNISM IS JEWISH? The Jews admit it; the record proves it beyond any doubt. 90% of convicted communists are Jews.

No Jews -- no communism. It is as simple as that. Unmask the Jews, remove them from behind the scenes, seize the money power from their hands, strip them of their ill-gotten wealth, AND YOU WILL DESTROY COMMUNISM!

Know the truth and it will make you free. Save America from the Jews!

"A racist is a person who thinks he has some rights in his own country."

— The Political Reporter.

Enough pussyfooting! Enough evading the truth! If we're going to SAVE AMERICA we're going to have to stop shooting in every direction and wasting our ammunition; we're going to have to stop fighting on a hundred different battlefields.

Granted the Sixteenth Amendment is Marxist; granted the Supreme Court has usurped its authority; granted this and granted that, BUT WE WILL NEVER BE ABLE TO CURE OUR NATIONAL ILLS BY FIGHTING THE SYMPTOMS - WE MUST GO AFTER THE DISEASE!

And that disease is the most devastating and fatal of all. It's a one syllable, three-letter word - JEW!

Too many good people are afraid of that word. AMERICANS HAVE BEEN BRAINWASHED. It's considered in bad taste to mention the word "JEW", except when praising the race, and it's looked upon as being outright bigotry to say anything AGAINST the Jews. Well, let's face it, dear friends, if this is the case then the BIGGEST BIGOT and the LOUDEST "HATE-MONGER" of all time is JESUS CHRIST! Christ exposed the Jews in all their naked infamy ("Ye are of your father the devil, and the lusts of your father ye will do... Ye serpents, ye generation of vipers, how can ye escape the damnation of hell?"); He warned us what to expect from them; AND DON'T FORGET FOR A MOMENT, FOR THESE THINGS THEY CRUCIFIED HIM AS THEY HAVE SINCE CRUCIFIED OTHERS WHO HAVE STOOD IN THEIR EVIL WAY.

It is the JEWS who dream of world domination and work for the realization of that dream.

It is the JEWS who control the financial and economic life of the world; who have the power to instigate crises and unemployment, in order to ruin individuals and States, and prepare for revolution.

It is the JEWS who are the creators, leaders, propagandists, and money-purveyors of Marxism (socialism, Communism, Bolshevism).

NEGRO EDUCATOR SUPPORTS PLAN FOR COLORED EXODUS

The Mississippi Negro college professor whose stand for segregation set off a student boycott at Alcorn A. & M. College has testified in Washington before the Senate Foreign Relations Committee in favor of legislation asking government aid in returning Negroes to Africa.

Prof. Clennon King, 37, minister-history teacher, said a bill proposed by Sen. Langer (R.-ND) would "give my people security in a very real sense."

"Negroes in America don't have security and try to get it by imitating whites," he added.

The professor said the bill provides government aid for transportation only to Liberia.

"This gives us a real opportunity for equality, but I think it should include all the Negroes' countries, such as Ethiopia, The Sudan, Ghana, Haiti and some of the British possessions," he added.

King said he believed a "significant number of ordinary Negroes would return to Africa under the provisions of the bill."

He said the bill is similar to one introduced several years ago by the late Sen. Theodore Bilbo of Mississippi, but said Bilbo's bill would have ordered Negroes back to Africa where Langer's proposal "gives them the opportunity."

"Our people have not found security in this country, even though we know we have a good thing here, the best country in the world. We move from Georgia to New York and find they want us less than Georgia, and then we move to California and find the same thing," he said.

King claimed the move back to Africa would give the Negro "real security in the home of his ancestors."

He said he holds the same fear as Southern white people that racial integration finally will bring about a "different stock."

"The NAACP denies the possibility of inter-marriage, but you can't deny it," he said.

"The real fear of the Southern white man, the way the integration problem is being pushed, is that we will wind up with a different stock of people," King added.

"I feel that is really the objective of the NAACP."

"They want security the cheap way. They don't think these bills are really going to automatically yield equality. "We've already used the hormones and the bleaching creams to try to be white. Jackie Robinson even had his nose thinned."

King attacked Negro calypso singer Harry Belafonte for "quitting a lovely Negro wife and marrying a white woman." — Citizens' Council

UN FLAG OUTRANKS OLD GLORY

July 9, 1953. Congress passed legislation that the UN flag may be displayed in a superior position to the U.S.A. Flag and to other flags ranking with that of the U.S.A. See page 178 of Review of the UN Charter.

"On no account may any flag displayed with the United Nations flag be displayed at a higher level than the United Nations Flag and on no account may any flag so displayed with the United Nations Flag be larger than the United Nations Flag.

All "legally" by vote of Congress under UN. It is time we face it and gird ourselves to GET THEM BACK. TREASON TRIALS ARE IN ORDER.

THAT WAS THE ORIGINAL PURPOSE OF THE UN. The Ill. DAR voted against the UN except as "in original purpose." If they had read the UN charter, they would know it is being carried out in "its original purpose." As it was written by the Russian Jew Pavolsky and engineered to passage by Alger Hiss.

How many of the Nationalist conventions have told you these things? It is all in the Review of the UN Charter, Senate Document, 87 Sen. Wiley, \$2.50, U.S. Printing Office. The same which we have begged all to read as it gives the truth about the Bricker Amendment; its source, the Am. Jewish Committee: its purpose, to correct the hole in the UN charter and give the UN control over the individual States.

Your boy fights and dies under the UN rag, the Supreme Court turns him over to foreign courts because your Congress put the UN above the U. S.

THE TALMUD: MOLDER OF THE JEWISH MIND

On the subject of the War Between the Bible and the Jews, *The Point*, a dynamic little monthly published by Saint Benedict Center, 12 Bow St., Cambridge 38, Mass., quoted two Jewish sayings: "The Bible is like water, the Mishna like wine, the Gemara like aromatic liquer," and "Jehovah himself studies the Talmud, standing out of respect."

The Point comments: "The full significance of such statements strikes home only when one realizes what the Talmud is. For in its 63 volumes this monument of Judaism is compounded of three principal elements: stark, shrieking anti-Christian blasphemy; rank obscenity; and a driving irrepressible contempt for the people and customs of the Gentile world. Thus is constructed the world's most characteristically, quintessentially Jewish book. No Christian—no matter how far he had strayed from grace—could ever have conceived it. It belongs to the Jews and to no other people. The Jews belong to it and to no other book. They have made it, and it in turn has nurtured and sustained them. For 1500 years they have been steeped in it—in its foul vocabulary, its sordid, blasphemous anecdotes, its depraved, anti-social principles. And it belongs not just to one faction or sect of Jews but to all the race. Even those Jews who do not regard the Talmud as 'divine' as Orthodox Jews do, consider it 'the supreme guide.'Yet it must not be thought that the Jews derive their perfidy simply from perusal of the Talmud, or that

destruction of the Talmud would put an end to the Jewish problem. For the Talmud is more than just the molder of the Jewish mind. It is its mirror."

PRESS REPORT

(CHICAGO) - Racial tension in Chicago has grown to alarming proportions. Only those who live in its midst know anywhere near the full story because the Chicago press has so completely suppressed news about the crisis.

Most white Chicagoans will tell you it's the beginning of a civil war. The stories they can relate about incidents in their neighborhoods are terrifying.

Negroes wear army helmets and are armed to the teeth. Knifings, rapings, and other forms of assault by negroes are on the upswing.

Responsible for this racial tension are organized Chicago Jewry, the Urban League, the NAACP, the YMCA, YWCA, and scores of subversive churches.

The picture in Chicago is not a pretty one, but it is typical of the integrated Northern cities. In the segregated South there are no such problems, no race riots like in Chicago, Detroit, and Levittown, Pa. "The White Sentinel" hit it right on the head when it said recently, "Integration and 'civil rights' are the main causes of growing negro crime and terror."

THE REVERE

JEWS REWRITE FOLKLORE

The Jews, forever looking for something to corrupt, are now busy at rewriting American folklore. With the task of editing the Bible accomplished (the result being the blasphemous Revised Standard Edition, containing hundreds of heresies), the killers of Christ feel the time is right to doctor up some of America's best-loved folksongs for presentation on the air.

One of Jewry's favorite targets is Stephen Foster. His songs in their original form are no longer suitable for Americans to hear. You see, Stephen Foster was a bigot, or so the Jews say. He was anti-Negro, almost "anti-semitic." He used discriminating words like "darky" and "mammy"; and what could be more apparent manifestations of his intolerance and mental illness?

This censorship and rewriting of American folklore is just another step in the overall Jewish plan. Everything must be Judaized - our music, our art, our literature, our religion, our government, our institutions, our people - EVERYTHING.

As long as the Jews are permitted to rule our nation nothing is safe from their defilement. As long as this criminal race exists in our midst we are going to continue to suffer. Drastic steps must be taken at once if we are to wrest control of our Republic from the Jews and save ourselves and future generations from complete Jewish domination.

UNMASK AND FIGHT THE REAL ENEMY

(Continued from page 1)

It is the JEWS who want all nationalities and religions to disappear, in order to bring forth the "world republic" which would deliver world domination unto them.

It is the JEWS who are behind the Negro problem, the United Nations, internationalism, etc.etc..

All patriotic Americans must unite under one banner - THE BANNER OF JESUS CHRIST. "Ye are either for me or against me," said Jesus. Any Nationalist leader who does not NAME THE ENEMY and does not fight the enemies of Jesus, the enemies of mankind, THE JEWS, is not worth his salt.

Tear away the mask of the enemy forces, take the bandage off blind-folded people, spread the truth, NAME THE DANGER BY ITS NAME.

MONSTROUS CRIME

Henry Morgenthau, Jr., Secretary of the Treasury, with Harry Dexter White, Under-Secretary, and Harold Glasser, all in charge of the Treasury, gave to the Russian government money plates, complete with three planeloads of special ink and four planeloads of special paper for printing our money in East Germany to pay two-year's salary to Russian soldiers. Refugees brought millions of this money to the United States to set up businesses.

We are told it is estimated the known movement of such money into the United States amounts to about \$19 billion of which more than \$3 billion comes from Canada, and \$1,800,000,000 through Swiss banks.

Eugene C. Pulliam, publisher of the Indianapolis Star and the Indianapolis News spoke before the Ohio Chamber of Commerce and said something that didn't get into many newspapers. We quote Publisher Pulliam:

"A little American Sergeant from Keokuk, Iowa, drove us around Berlin, and, of course, when you get in the Russian zone, you are followed by the secret police, the uniformed police and everybody else. This Sergeant told me that he had sold a wristwatch, which he paid \$29.75 for in 1938, to a Russian Soldier for 14,000 good American dollars, \$10,000.00 for a carton of cigarettes, \$10,000.00 for a pair of nylons, money that was just as good as any money you have in your pockets, and we gave them the plates as a great gesture of good will! What in God's name were we doing—I don't know. And that, ladies and gentlemen, is the fight.

"This scandal has been hushed up by the money-changers all over the world. Why? Because the Misplaced Persons went back into Central Europe, manipulated a black market with American dollars and got hold of between 8 and 10 billion (10,000 million dollars). These Misplaced Refugees have flooded the United States with this money which is as good as any paper money on earth, and with this money they are buying theaters, hotels, and main street properties. In many instances they are paying two and three times the assessed value. Refugees who have entered the United States are alleged to have come here with suitcases filled with paper money in large denominations.

"The unbelievable—yes, the super unbelievable scandalous fact is that Henry Morgenthau loaned our money printing plates to the Russians and this same money is being used to virtually steal property from real Americans because the money is in the hands of unscrupulous international Misplaced Persons." —American Mercury.
